Ford Cortina more than ever a car above comparison.

Ford gives you more.

They won't catch Ford making comparisons.

Many thanks to the competition (no names mentioned), for their support and assistance over the years in helping to sell our cars.

Every time they advertise one of theirs, they cite one of ours as the principal rival.

But they won't catch Ford making comparisons. So why do more people buy Ford?

Because at the end of the day, money for money, feature for feature, and car for car, they consider that nothing on four-wheels compares with them. And that they are the finest value-for-money cars around today.

And to make sure they stay that way, we continually appraise and improve their design and specification to keep them just that one, infuriating jump ahead. Indeed recently, as you may recall, we even lowered lots of their prices just to make sure.

From our baby Fiesta (which incidentally is now available with a 1.1 economy engine giving 55 miles per gallon*) to our luxurious Granada 2.8i Ghia X, which is arguably the most comprehensively equipped car to be priced at under £12,000†, there are many, many models.

Over 90 at the last count. But the five we've selected here are a pretty convincing representation.

There's the fabulous new special edition Crusader which is the best priced, best selling, special edition Cortina ever.

The Capri 2.8 Injection. Our sports car if you like and the fastest car £8,125†† can buy. (130mph top speed**).

And of course, the remarkable Escort. (Also available with the new economy engine.) Car of the year 1981. Simply the most efficient, practical, and let's not forget, stylish example of contemporary motoring and the world's best selling car last year.

This superb range of cars naturally possesses the renowned Ford reliability and low cost of ownership.

And the extent of the 1200 strong dealer network means you're never far from a Ford expert. Benefits like top quality (and modestly priced) Motorcraft parts, the after sales service called 'Ford Sure' plus 'Extra Cover', Ford's optional 2nd and 3rd year warranty plan, together with all the other benefits of owning a Ford mean the total Ford package is unrivalled.

Needless to say, Ford resale values also remain consistently ahead of the competition.

So there we have it; a cross section of the most comprehensive, successful car range in Britain today.

That's why Ford really does give you more.

It must make our competitors very cross to be reminded of them.

When all they can make is comparisons.

While we make all the Fords.

*Government test figures. Fiesta 1.1 Economy. Miles per gallon (litres/100km): Constant 56 mph 55.4 (5.1), constant 75 mph 39.2 (7.2), simulated urban driving 38.7 (7.3). †2.8i Granada Ghia X Saloon (Automatic) £11,995. ††2.8 Injection Capri in solid colour £8,125. Prices correct at time of going to press. Seat belts, car tax and VAT included. Delivery and number plates at extra cost. **Motor road test estimate.

Ford gives you more.

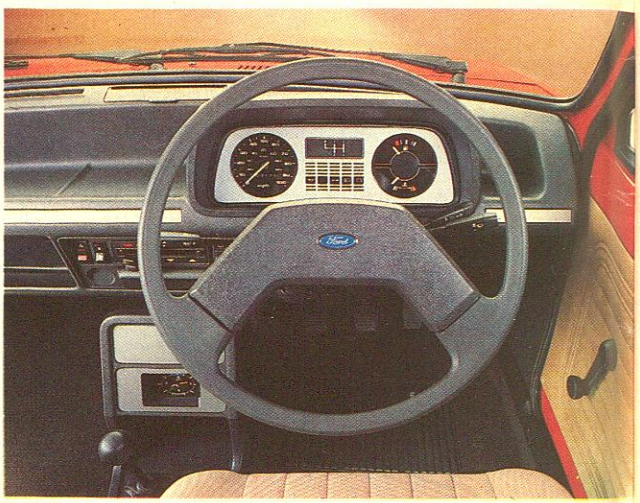
Ford

The Ford Fiesta

Nothing in its class compares to the 1.1 economy engined Fiesta.

Ford gives you more. Ford

FIESTA



FIESTA POPULAR

- 950 (40 BHP or 45 BHP) engine
- Diagonally split dual-line braking system
- Radial ply tyres
- Hazard warning flashers
- Self-adjusting clutch
- Printed circuit instrument wiring
- Laminated windscreen

NEW FEATURES

- Thermostatically controlled engine fan
- Fuel tank locking cap
- Bodyside tape strip

NOTE: Popular is now fitted with silver finish wheel nuts, not black as illustrated.

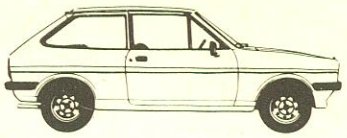
FIESTA POPULAR PLUS

Plus Optional 1100 engine
Plus Tailgate wash/wipe
Plus Detachable moulded rear package tray
Plus 'Sandford' fabric trim
Plus Centre console with clock
Plus Non-woven carpet

NEW FEATURES

Plus Bodyside moulding
Plus Load compartment carpet
Plus Optional 1100 Economy engine.

FIESTA POPULAR



Engines

950 (40 BHP DIN) or 950 (45 BHP DIN). Transverse mounted overhead valve engine with wedge-head combustion chambers.

Transmission

4-speed synchromesh gearbox with remote shift. Self-adjusting clutch. Front wheel drive.

Suspension & Steering

Bulkhead mounted rack and pinion steering with negative scrub geometry and safety decoupling energy absorbing column. 3.4 turns lock to lock.
Front – MacPherson struts, telescopic dampers with coil springs.
Rear – 5 point link comprising trailing arms, coil springs, beam axle with Panhard rod. Telescopic dampers.

Brakes

Diagonally split, dual line system with 8.7" dia. front discs and self-adjusting 7.0" dia. rear drums.

Wheels & Tyres

12"×4" pressed steel wheels with silver finish wheel nuts and 135 SR 12 steel braced radial tyres.

Lighting & Electrical

7 fuse, 12 volt negative earth system. Single tone horn. Rectangular semi-sealed headlamps. Hazard warning flashers. Direction indicators. Rear fog lamp.

Body

Wind tunnel developed, low drag coefficient all steel welded construction with rear third door with gas struts and concealed hinges. Rear towing hook. Black louvred design radiator grille with drag reducing aerofoil section. Black wide section steel bumpers with end caps. Black driver's side door mirror. Black door handles, black door locks with bright inserts. Two colour bodyside tape-stripe. Popular 'decal' on tailgate. Integral front air dam. Laminated windscreen. 7.5 gallon fuel tank. Black fuel tank locking cap. Luggage space effective capacity: As a 4 seater 7.1 cu. ft, as a 2 seater 35.3 cu. ft.

Interior

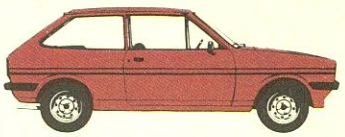
Front slide mounted bucket seats with anti-tip lock. Quick action single-fold rear bench seat with automatic lock. Inertia reel seat belts to driver's and front passenger's seats. Vinyl seat trim. Passenger compartment fleece carpet. Storage compartment under rear floor. Grained fascia with black finish instrument cluster applique surround. Front passenger glove compartment and package shelf. Centre face level vent. Air blending heater with 2-speed fan. Three ashtrays. Two spoke steering wheel, windscreen mounted rear view mirror. Driver's side sunvisor. Three lever system controlling turn indicators, horn, high beam, headlamp flasher, driving lights, 2-speed wipers, flick wipe. Illuminated instrument switches. Foot operated windscreen washer. Speedometer/odometer, fuel gauge, temperature gauge, warning lights for oil pressure, turn indicators, high beam and ignition. Choke control. Brake fluid level warning indicator.

The cars illustrated are: Fiesta Popular in Diamond White. Fiesta Popular Plus in Sienna Brown.

NOTE: 1983 Model Year Popular Plus is now Supplied with 'Sandford' trim not 'Beta' as illustrated. Please see colour and trim guide for 1983 Model Year colour and trim availability.

Further details on pages 16–18.

FIESTA POPULAR PLUS



Engines

950 (40 BHP DIN) or 950 (45 BHP DIN) or 1100 (53 BHP DIN) or 1100 Economy (55 BHP DIN). Transverse mounted overhead valve engine with wedge-head combustion chambers.

Transmission

As Fiesta Popular.

Suspension & Steering

As Fiesta Popular.

Brakes

As Fiesta Popular, but with servo assistance on 1100 engine.

Wheels & Tyres

As Fiesta Popular, but with 145 SR 12 tyres on 1100.

Lighting & Electrical

As Fiesta Popular, but with front door operated courtesy switches for interior light. Tailgate wash/wipe.

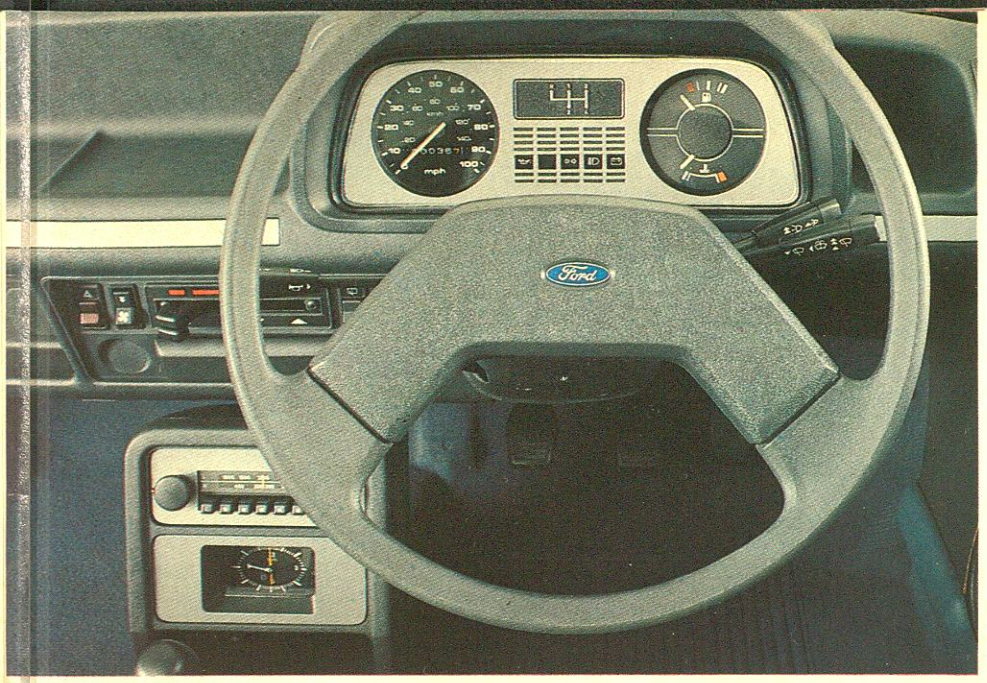
Body

As Fiesta Popular, but with bodyside moulding.

Interior

As Fiesta Popular but with 'Sandford' fabric seat trim. Passenger compartment non-woven carpet. Grained fascia with silver finish instrument cluster applique. Driver's and passenger's side sunvisors. Detachable moulded rear package tray. Centre console with quartz analogue clock. Popular plus 'decal' on silver finish fascia mounted applique. Rear wheelarch trim in passenger compartment. Load compartment carpet.

FIESTA



FIESTA L

☐ Heated rear window ☐ Electric windscreen wash and intermittent wipe ☐ Reclining front seats ☐ A-frame front headrestraints ☐ Ford P21 push button radio ☐ Reversing lamp

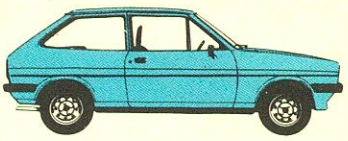
NEW FEATURES

☐ Passenger door mirror ☐ Detachable moulded rear package tray with carpet inserts ☐ 4½" wheels with wheel trim rings ☐ Optional 1100 Economy Engine

☐ Thermostatically controlled fan on 950 engines

☐ Fuel tank locking cap

FIESTA L



Engines

950 (45 BHP DIN) or 1100 (53 BHP DIN) or 1100 Economy (55 BHP DIN). Transverse mounted overhead valve engine with wedge-head combustion chambers.

Transmission

As Fiesta Popular.

Suspension & Steering

As Fiesta Popular.

Brakes

As Fiesta Popular, but with servo assistance on 1100.

Wheels & Tyres

12" × 4½" pressed steel wheels with silver finish wheel nuts, wheel trim rings and 145 SR steel braced radial tyres.

Lighting & Electrical

As Fiesta Popular, but with reversing lamp, heated rear window, front door operated courtesy switches for interior light, intermittent wipe and electric windscreen wash, tailgate wash/wipe.

Body

As Fiesta Popular, but with bodyside moulding instead of bodyside tape-stripe. Black passenger's side door mirror. L badge on tailgate, 1.1 badge on 1100 model. Tailgate twistlock.

Interior

As Fiesta Popular but with reclining front seats with 'Bristol and Sandford' fabric trim. Colour keyed A-frame front head restraints. Driver's and passenger's door storage bins. Detachable moulded rear package tray with carpet inserts, front door armrests, front passenger side grab handle, rear coat hooks, outboard fascia mounted adjustable rectangular fresh air vents. Grained fascia with silver finish instrument cluster applique with bright surround, silver finish fascia mounted applique. Perforated headlining, driver's and passenger's side sunvisors, anti-dazzle tinted rear view mirror. Colour keyed non-woven passenger compartment carpet. Handbrake grip. Rear wheelarch trim in passenger compartment. Additional sound insulation material. Centre console with quartz analogue clock. Load compartment carpet. Ford push button radio (MW/LW) P21.

The cars illustrated are: Fiesta L in Cardinal Red (exterior pictures) and Titan Blue metallic (interior picture). Metallic paint is an option at extra cost.*

** No longer available in 1983 Model Year.*

NOTE: 1983 Model Year Fiesta L is now supplied with 'Bristol and Sandford' trim, not as illustrated. Please see colour and trim guide for 1983 Model Year colour and trim availability. For 1983 Model Year, rocker panels are body colour not black as illustrated.

Further details on pages 16–18.

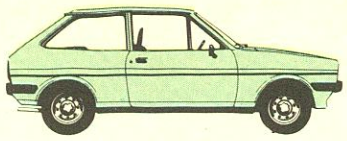
FIESTA GL

☐ Choice of 950 (45 BHP DIN) or 1100 (53 BHP DIN) or 1300 (66 BHP DIN) engines
☐ Halogen headlamps ☐ Bumper overriders
☐ 12″ × 4½″ wheels with trim rings and centre embellishers
☐ 'Chelsea and crushed velour' fabric trim
☐ Soft feel four spoke steering wheel
☐ Illuminated heater controls ☐ Cigar lighter
☐ Glove compartment with lid and illumination

NEW FEATURES

☐ Remote control driver's door mirror
☐ Colour keyed A-frame front headrestraints with pads
☐ Optional 1100 Economy Engine
☐ Thermostatically controlled fan on 950 engines
☐ Fuel tank locking cap

FIESTA GL



Engines

950 (45 BHP DIN) or 1100 (53 BHP DIN) or 1100 Economy (55 BHP DIN) or 1300 (66 BHP DIN). Transverse mounted overhead valve engine with wedge-head combustion chambers.
Automatic choke and electronic ignition on 1300.

Transmission

As Fiesta Popular.

Suspension & Steering

As Fiesta Popular, but with rear anti-roll bar on 1300 model. Soft feel four spoke steering wheel.

Brakes

As Fiesta Popular, but with servo assistance on 1100 and 1300 models.

Wheels & Tyres

12″ × 4½″ pressed steel wheels with 145 SR 12 steel braced radial ply tyres. 155 SR 12 tyres on 1300 models. Wheel trim rings and centre embellishers.

Lighting & Electrical

As Fiesta Popular, but with reversing lamp, heated rear window, front door operated courtesy switches for interior light, intermittent wipe and electric screenwash, tailgate wash/wipe, illuminated heater controls, halogen headlamps.

Body

As Fiesta Popular, but with body side moulding instead of tape-stripe. Remote control driver's door mirror and passenger's side door mirror. GL badge on tailgate, 1.1 badge on 1100 model, 1.3 badge on 1300 model. Tailgate twistlock. Bumper overriders.

Interior

As Fiesta Popular, but with reclining front seats with 'Chelsea and crushed velour' fabric seat trim. Colour keyed A-frame front heat restraints with pads. Driver's and passenger's door storage bins. XR2

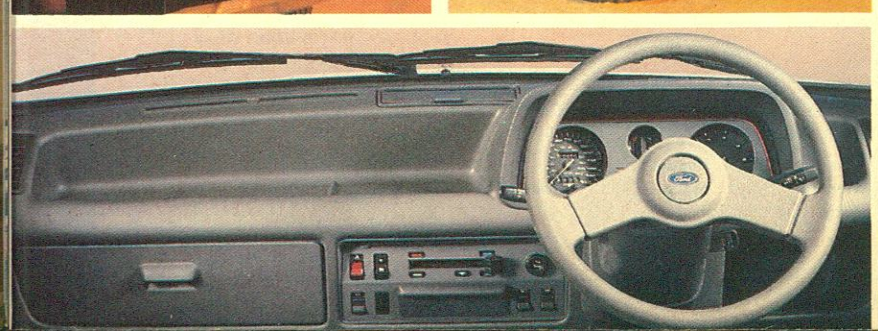
FIESTA XR2

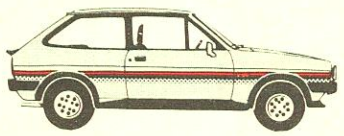
☐ Outstanding performance of 0–60 mph in 9.3 seconds and a top speed of 105 mph (Ford computed figures) ☐ 1600 high performance engine with Weber twin-venturi carburettor ☐ Special 13″ × 6″ alloy wheels and 185/60 ultra low profile tyres ☐ Aerodynamic front and rear spoilers plus wheelarch extensions ☐ Sports reclining front seats ☐ Header mounted digital clock with elapsed time function ☐ Twin body colour door mirrors, remote control driver's side

NEW FEATURE

☐ Fuel tank locking cap



FIESTA XR2



Engine

Transverse mounted 1600 OHV (84 BHP DIN) with twin venturi Weber carburettor, automatic choke and electronic ignition.

Transmission

Four speed synchromesh gearbox with remote shift. Self adjusting clutch. Uprated transaxle and drive shafts. Front wheel drive.

Suspension

Sports suspension with uprated damper settings and spring rates. Front-Independent MacPherson struts, telescopic dampers with coil springs. Rear-Beam axle with trailing arms and coil springs. Tubular Panhard rod with stabiliser bar. Telescopic dampers.

Steering

Bulkhead mounted rack and pinion steering and safety decoupling energy absorbing column. Turning circle between walls 36.5 ft (11.12 mtrs).

Brakes

Servo assisted diagonally split, dual line system.
Front: ventilated 9.4″ discs.
Rear: self adjusting 7.0″ drums.
Handbrake: self adjusting floor mounted mechanical linkage to rear brake drums.

Wheels & Tyres

13″ × 6″ alloy wheels with 185/60 HR 13 ultra low profile radial ply tyres.

Lighting & Electrical

7 fuse, 12 volt negative earth system. Dual tone horn. 7″ circular halogen headlamps. Driving lamps with overriders. Hazard warning flashers. Direction indicators incorporated into front bumper. Rear fog lamp. Reversing lamp. Heated rear window, front door operated courtesy switches for interior light, intermittent wipe and electric screen wash, tailgate wash/wipe, illuminated heater controls, handbrake warning light.

Body

3 door hatchback with gas struts and concealed hinges on rear door. Front and rear towing hooks. Black louvred design radiator grille with drag reducing aerofoil section. Aerodynamic front and rear black spoilers and black wheelarch extensions. Black wide section bumpers with end caps. Twin body colour door mounted mirrors. (Remote control on driver's side.) Black door handles and black door locks with bright inserts. Special XR2 decal treatment on bodyside. Special rocker panel paint/decal scheme. Black fuel tank locking cap. Extended black window surround paint. XR2 decal on tailgate. Laminated windscreen. 7.5 gallon fuel tank. Luggage space effective capacity: As a 4 seater 7.1 cu. ft, as a 2 seater 35.3 cu. ft.

Interior

Front slide mounted sports reclining bucket seats with anti-tip lock. Quick action single fold rear bench seat with automatic lock. 'Storm' and Crushed Velour fabric trim. Shark Grey environment colour. A-frame front head restraints. Inertia reel seat belts to driver's and front passenger's seats. Driver's and passenger's door storage bins. Detachable moulded rear package tray with carpet inserts, front door three roof mounted grab handles. Full door trim incorporating soft feel cappings and 'Storm' fabric inserts, with grey mylar sidewall and rear quarter trim finisher, fully trimmed roof pillars. Soft feel instrument panel with grey finish instrument cluster applique with red surround and grey finish applique to switch panel. Front passenger glove compartment with illumination and lid, front package shelf and driver's side stowage. Centre face level vent with two outboard fascia mounted adjustable rectangular fresh air vents. Air blending heater with 2-speed fan. Three ashtrays. Soft feel two spoke sports steering wheel. Windscreen mounted dipping rear view mirror. Perforated 'Cool Black' headlining and sunvisors with vanity mirror on passenger's side. Header mounted digital multi-function clock. Shark Grey cut pile carpet. Handbrake grip. Sports gearshift knob. Centre console with grey finish applique and coin rack. Rear wheelarch trim in passenger compartment. 'Ghia' type sound insulation material. Ford push button radio (MW/LW) P21. Cigar Lighter.
Three lever system controlling turn indicators, horn, high beam, headlamp flasher, driving lights, 2-speed wipers, intermittent wipe. Illuminated instrument switches.
Speedometer/odometer, tachometer, trip recorder, fuel gauge, temperature gauge, warning lights for oil pressure, turn indicators, high beam and ignition. Brake fluid level warning indicator. Load compartment carpet. Storage compartment under rear-floor.

The cars illustrated are: interior – Fiesta XR2 in Strato Silver, option at extra cost is metallic paint; exterior – Fiesta XR2 in Sunburst Red, options fitted at extra cost are head restraint pads and tilting removable glass sunroof.

Further details on pages 16–18.

ESCORT

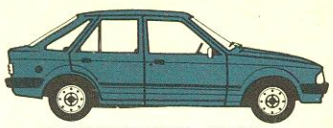
ESCORT SALOON, 3 DOOR



ESCORT SALOON, 5 DOOR

Engines

1100 OHV or 1100 OHV Economy or 1300 OHC with single variable venturi carburettor, automatic choke. Electronic ignition on 1300.

Transmission

Front wheel drive. 4-speed synchromesh gearbox with remote shift. Cable-operated diaphragm-spring single plate with self-adjusting cable system.

Suspension

Front suspension: Independent MacPherson strut with coil springs and telescopic shock absorbers. Zero scrub radius geometry. Forward stabiliser bar with 1300 engine.
Rear suspension: Independent system with pressed steel swinging arms and strut type shock absorbers. Longitudinal location by tie bars. Non concentric coil springs.

Steering

Rack and pinion with anti-theft lock. Turning circle 32.9 ft. between kerbs. 34.6 ft between walls.

Brakes

Diagonally-split hydraulic circuits with tandem master cylinder. Vacuum servo assistance standard on 1300.
Front: Fine turned 9.4" discs.
Rear: Self adjusting 7.0" drums with leading and trailing shoes.
Handbrake: Self adjusting floor mounted mechanical linkage to rear brake drums.

Wheels & Tyres

On 1100: 4½" × 13" steel wheels with black centre cap with 145/80 SR 13 tyres.
On 1300: 4½" × 13" with 155/80 SR 13 tyres.

Lighting & Electrical

12 volt negative earth system. Tungsten semi sealed beam headlights. Single tone horn. Hazard warning flashers. Rear fog lamps. Brake failure and handbrake 'on' warning light. Front operated courtesy switches for interior light. Reversing lamps.

Body

All steel welded integral construction with safety glass all round. Dual bodyside tape-stripe. Laminated windscreen. 3 or 5 doors on both 1100 and 1300 models. Twin gas struts on tailgate door. Tailgate slam lock. Black louvred grille with Ford oval. Wide section black bumpers with long end caps. Black windshield and rear window surrounds. Black locking fuel filler cap. Anti-burst door locks with childproof locks on rear doors (5 door model only). Driver's black door mirror. Black door handles and locks.
Luggage space effective capacity:
As 5 seater 20.3 cu. ft; covered luggage capacity 10.8 cu. ft: as 2 seater 48.7 cu. ft. Spare wheel housed in luggage compartment. 8.8 gallon fuel tank.

Interior

Vinyl trimmed fixed back front bucket seats, adjustments for reach. Bench type folding rear seat. Carpet in passenger compartment. Load compartment carpet. Illuminated rocker switches and heater control, with two-speed fan. Outboard face level vents with warm air facility. Coat hooks in rear. Twin swivelling front sun visors. Rear view mirror. Concealed inertia reel seat belts. Three lever system controlling turn indicators, horn, high beam headlights, flasher, driving lights, 2-speed wipers with 'flick' wipe, electric screen wash. Speedometer. Odometer. Fuel and water temperature gauge. Hand brake grip. Two spoke steering wheel. Driver's upper and passengers upper and lower stowage shelves.

*The car illustrated is an Escort Saloon 5 door in Atlantic Blue.**
** No longer available in 1983 Model Year.*

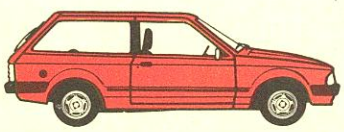
As Escort L Saloon, but with load compartment floor covering in non-woven ribbed carpet (environment colour). Load compartment side trim, fully covered, including wheel arches (both sides). Tail lamp covers. Rear seat squab lock down hinge. Less rear package tray.



ESCORT GL ESTATE

Engines

1300 OHC and 1600 OHC, both with single variable venturi carburettors and with automatic choke. Electronic ignition.

Transmission

As Escort Saloon, but with 5-speed on 1600 engine.

Suspension & Steering

As Escort Saloon, but with 24 mm forward stabiliser bar. Turning circle as GL Saloon.

Brakes

As Escort Estate car. Servo assistance with 1300 and 1600 engine.

Wheels & Tyres

5"×13" styled road wheels, with 155/80 SR13 tyres.

Lighting & Electrical

As Escort GL Saloon.

Body

As Escort Estate, but with GL badge on tailgate. Black 'B' pillars. Black remote control driver's door mirror and black passenger door mirror. Body side protection mouldings. Bright windshield/backlight surround. Protective bumper inserts. Bright side window surround. Tailgate wash/wipe. Additional sound insulation.

Interior

As Escort GL Saloon, but with ribbed carpet (environment colour) for load compartment floor covering. Load compartment side trim, including wheel arches on both sides. Tail lamp covers. Rear seat squab lock down hinge. Less rear package tray.

The car illustrated is an Escort GL Estate in Crystal Green. Options fitted at extra cost are overriders and metallic paint.*

** Not available on Escort GL Estate in 1983 Model Year.*

NOTE: Please see colour and trim guide for 1983 Model Year colour and trim availability.

EXTRA COVER
The Optional Warranty Plan from Ford

Further details on pages 34–36.

THE ESCORT RANGE - STANDARD FEATURES

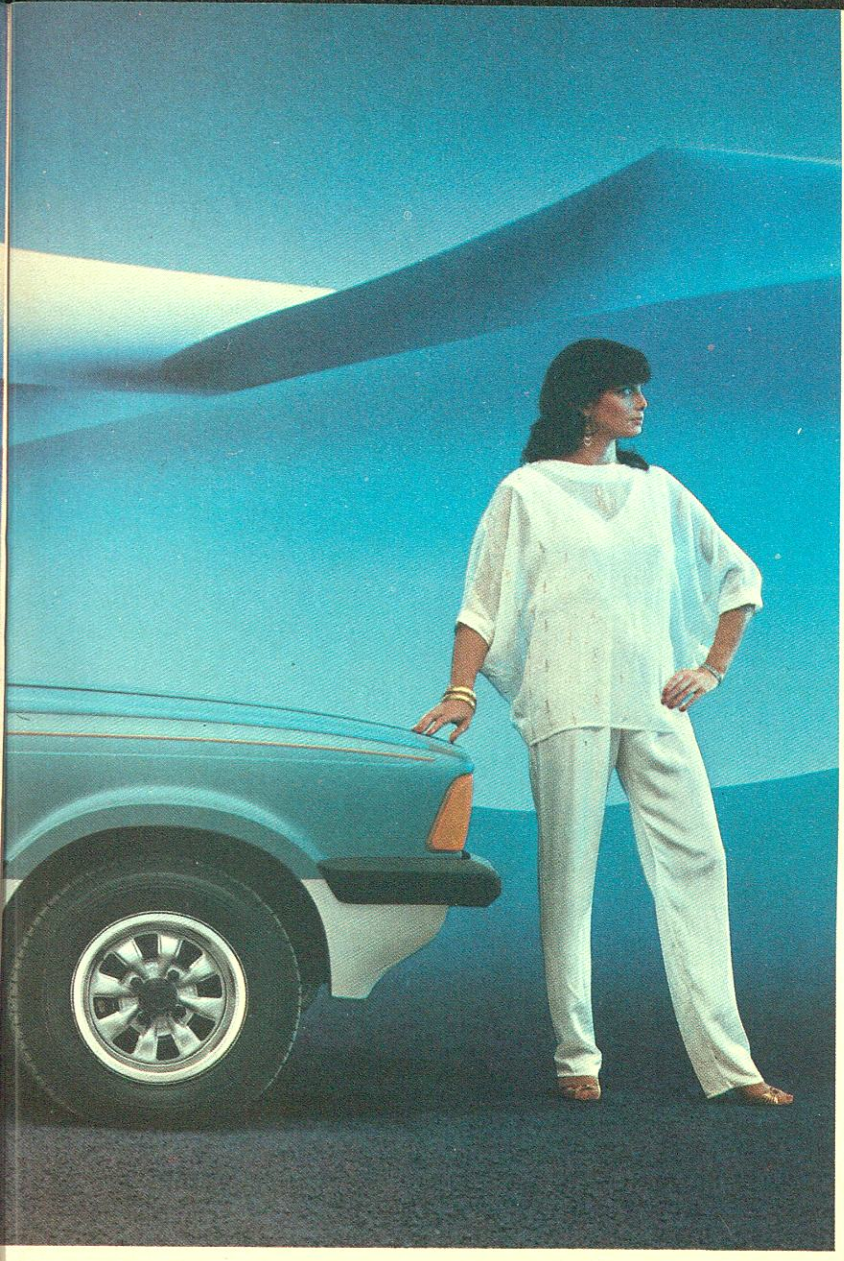
The Ford Cortina

There's nothing to touch the best-selling Cortina Crusader.

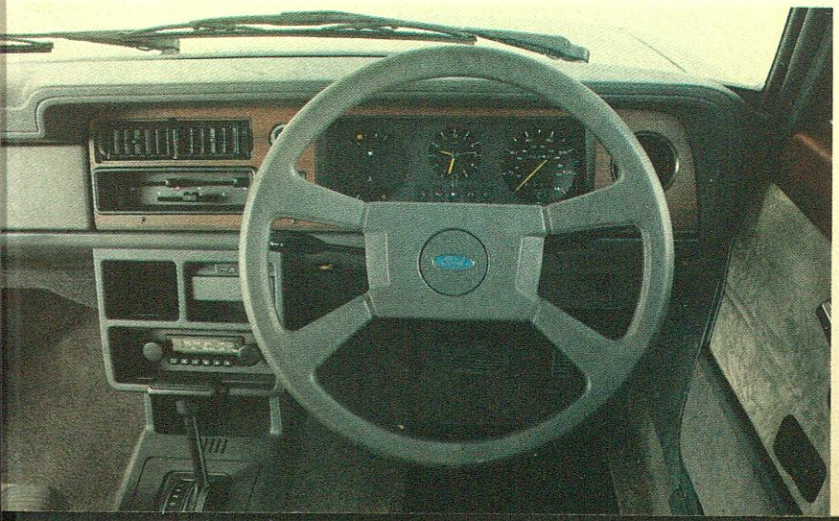
Ford gives you more. Ford



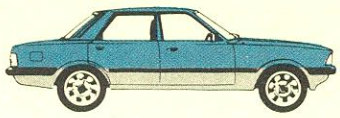
CORTINA CRUSADER

- ☐ Single or two-tone paint finish (at extra cost)
- ☐ 'Durham' and 'Crushed Velour' fabric trim
- ☐ Centre console with Ford P21 radio
- ☐ Sports road wheels with rim embellishers
- ☐ Remote control driver's door mirror

For full details of colour and trim combinations; please see Crusader Leaflet ref. FA571.



CORTINA CRUSADER



Engines

1300 OHV or 1600 OHC with single variable venturi carburettor and 2000 OHC with twin venturi carburettor all with automatic choke.

Transmission

4 speed manual gearbox with synchromesh on all forward gears. Remote floor mounted gear shift. Self adjusting diaphragm spring clutch or with automatic transmission on 1600 and 2000 cc engines as an option at extra cost.

Suspension and Steering

Rack and pinion. Anti-theft steering lock. Four spoke soft feel steering wheel. Front suspension: Independent. Short and long arms with coil springs and anti-roll bar. Telescopic shock absorbers. Rear suspension: Four bar link. Variable rate coil springs and anti-roll bar. Gas rear shock absorbers.

Brakes

Hydraulic dual line. Vacuum servo assisted, self adjusting 9.75 ins front discs and 8 in rear drums with 1300 and 1600 engines and 9 ins rear drums with 2000 engines. Floor mounted handbrake.

Wheels and Tyres

Sports road wheels with 165SR×13 radial ply tyres on 5½ rims, with wheel rim embellishers.

Lighting and Electrical

12 volt negative earth system. 35 amp alternator. Rectangular headlamps. Heated rear window. Hazard warning flashers. Single tone horn. Reversing lamps. Two rear fog lamps. Brake failure warning light. Front door operated courtesy light with delayed "switch off" action.

Body

–4 door saloon
All steel welded integral construction with safety glass all round. Laminated windscreen. Black finished four bar louvred radiator grille. Bright bumpers with protective inserts with wrap round end caps. Body side protective moulding. Bright drip rail and belt rail moulding with black door window frames. Black windshield and rear window inserts. Anti burst door locks with child proof locks on rear doors. Passenger door mirror and remote control driver's door mirror. Spare wheel housed in luggage compartment. 11.9 gallon fuel tank with locking cap. Two tone body side and bonnet stripe.

–Two tone Saloons
As above but with black bumpers and radiator grille coloured to match the upper body colour. Two tone paint colours divided by the body side protection moulding.

Interior

Reclining front seats with adjustment for forward and backward movement. Bench rear seat. Two tone fabric seats consisting of dark "Durham" with light "Crushed Velour" seat centre inserts, rear centre arm rest on 4 door saloons. Front seats with adjustable head restraints, map pockets and seat valances. Doors finished in light "Crushed Velour" with wood veneer door capping, carpeted lower sections and map pockets on front doors. Colour keyed cut pile carpet in passenger compartment. Boot mat. Heater, demister and variable speed fan, centre face level air vents and outboard "eye-ball" face level vents. Glove box with lid. Front grab handle. Two rear coat hooks. Full centre console, including Ford P21 push button radio with front centre arm rest and trinket box. PVC gear shift and handbrake gaiter. Ignition oil pressure indicator, brake failure and main beam warning lights. Inertia reel seat belts to driver's and front passenger's seats. Illuminated heater controls, ashtray and switches. Wood effect fascia, speedometer, odometer and trip meter. Fuel and water temperature gauge. Instrument panel rheostat. Clock. Two speed wipers with "flick" wipe control and electric screen wash. Cigar lighter, swivelling sun visors. Anti dazzle rear view mirror.

The car illustrated is a Crusader 4 door saloon in Titan Blue and Strato Silver. Option fitted at extra cost is automatic transmission. Please see your Ford dealer re other options available.

Further details on pages 52–54.

CORTINA CRUSADER ESTATE

- ☐ Single or two-tone paint finish (at extra cost)
- ☐ Sports road wheels with rim embellishers
- ☐ 1600 OHC or 2000 OHC engines
- ☐ Loading capacity – 64.0 cu. ft as a 2 seater
  – 34.0 cu. ft as a 5 seater

For full details of colour and trim combinations, please see Crusader Leaflet ref. FA571.

Heater, demister and variable speed fan, centre face level air vents and outboard "eye-ball" face level vents. Glove box with lid. Front grab handle. Two rear coat hooks. Full centre console, including Ford P21 push button radio with front centre arm rest and trinket box. PVC gear shift and handbrake gaiter. Ignition oil pressure indicator, brake failure and main beam warning lights, Inertia reel seat belts to driver's and front passenger's seats. Illuminated heater controls, ashtray and switches. Wood effect fascia, speedometer, odometer and trip meter. Fuel and water temperature gauge. Instrument panel rheostat. Clock. Two speed wipers with "flick" wipe control and electric screen wash. Cigar lighter, swivelling sun visors. Anti dazzle rear view mirror.

The car illustrated is a Crusader Estate in Crystal Green and Strato Silver. Option fitted at extra cost is tinted glass. Please see your Ford dealer re other options available.

Further details on pages 52–54.

CORTINA

CORTINA SALOON

☐ 1300 OHV and 1600 OHC engines with single variable venturi carburettor
☐ Servo assisted, self-adjusting front disc brakes
☐ Laminated windshield
☐ Rear fog lamps
☐ Window mounted spring back rear view mirror
☐ Viscous coupled fan
☐ Radial ply tyres
☐ Illuminated fascia switches
☐ Door bins

NEW FEATURE
☐ Fuel tank locking cap

CORTINA SALOON

CORTINA SALOON, 2 DOOR

CORTINA SALOON, 4 DOOR

Engines

1300 OHV or 1600 OHC (4 door models only) with single variable venturi carburettor and automatic choke.

Transmission

4-speed manual gearbox with synchromesh on all forward gears. Remote floor mounted gearshift. Self adjusting diaphragm spring clutch.

Suspension & Steering

Rack and pinion. Anti-theft lock. Two spoke soft-feel steering wheel. Front suspension: Independent. Short and long arms with coil springs and anti-roll bar. Telescopic shock absorbers. Rear suspension: Four bar link. Variable rate coil springs and anti-roll bar. Gas rear shock absorbers.

Brakes

Hydraulic dual line. Vacuum servo-assisted, self adjusting 9.75" front discs and 8" rear drums. Floor mounted handbrake.

Wheels & Tyres

165 SR×13 radial ply tyres on styled wheels with 4½" rims.

Lighting & Electrical

12 volt negative earth system. 35 amp alternator. Rectangular headlamps. Heated rear window. Hazard warning flashers. Single tone horn. Reversing lamps. Rear fog lamps. Brake failure warning light. Front door operated courtesy light.

Body

All steel welded integral construction with safety glass all round. Laminated windscreen. 2 or 4 door on 1300 models. 4 door only on 1600 models. Bodyside tape-stripe. Black finish four bar louvred radiator grille. Black bumpers with wrap-around end caps. Black drip-rail, windshield and rear window inserts. Black rocker panel and windscreen wipers. Anti-burst door locks with childproof locks on rear doors. Black driver's door mirror. Luggage compartment effective capacity 11.8 cu. ft. Spare wheel housed in luggage compartment. 11.9 gallon fuel tank. Fuel tank locking cap.

Interior

Windsor fabric trimmed reclining front bucket seats with adjustment for forward and backward movement. Bench rear seat. Carpet in passenger compartment. Boot mat. Heater demister with variable speed fan, centre face level air vents and outboard 'eye-ball' face level vents. Glove box with lid. Trinket tray. Front grab handle. Two rear coat hooks. Ignition, oil pressure, indicator, brake failure and main beam warning lights. Inertia reel seat belts to driver's and front passenger's seats. Illuminated heater controls. Illuminated switches. Speedometer. Odometer. Fuel and water temperature gauge. 2-speed wipers with 'flick' wipe control and electric screen wash. Cigar lighter. Swivelling sunvisors. Anti-dazzle rear view mirror. Door bins.

The car illustrated is a Cortina Saloon 4 door in Cordoba Beige.

Further details on pages 52–54.

VAT shown in this Price Guide is calculated at 15%. The total price of a car, including Car Tax, options, and accessories fitted by the Ford Dealer, will be subject to VAT on retail price.

The prices quoted in this Guide are the maximum prices, and do not include the cost of number plates. In addition, a standard delivery charge of £83.24 plus £12.49 VAT total £95.73 will be made on all models. (A further charge will be made on vehicles to Northern Ireland and the Channel Islands).

The Ford Capri

Nothing in its price bracket can catch the Capri 2.8 Injection.

Ford gives you more.

CAPRI

CAPRI L

- ☐ 1600 engine
- ☐ Split squab folding rear seats
- ☐ 'Sandford' fabric trim
- ☐ Reclining front seats
- ☐ Bodyside protection moulding
- ☐ Sports steering wheel
- ☐ Ford P21 push button radio
- ☐ 4 Halogen headlamps
- ☐ Louvred grille and front spoiler
- ☐ Servo assisted front disc brakes
- ☐ Laminated windscreen and heated rear window
- ☐ Rear fog lamps

NEW FEATURE

- ☐ Fuel tank locking cap

CAPRI LS

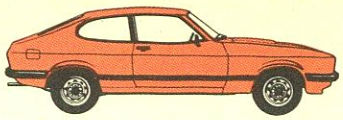
- ☐ Tailgate spoiler
- ☐ 'Laser' fabric seat inserts
- ☐ Sports road wheels
- ☐ Sports gearshift knob
- ☐ Full instrumentation including tachometer, oil pressure gauge and ammeter

NEW FEATURE

- ☐ Fuel tank locking cap

NOTE: For 1983 Model Year all Capris are fitted with a revised and improved steering wheel different to that illustrated.

CAPRI L



Engine

1600 OHC with single variable venturi carburettor and automatic choke.

Transmission

4-speed manual gearbox with synchromesh on all forward gears. Remote floor mounted gearshift. Diaphragm spring clutch.

Suspension & Steering

Rack and pinion. Anti-theft lock. Turning circle 33 ft between kerbs. Three spoke sports steering wheel. Front suspension – independent Macpherson struts with anti-roll bar.
Rear suspension – semi-elliptic leaf springs with anti-roll bar, and gas filled shock absorbers.

Brakes

Hydraulic dual line vacuum servo-assisted. Front discs and rear drums. Floor mounted hand brake.

Wheels & Tyres

165 SR×13 radial ply tyres on 5" wheel rims.

Lighting & Electrical

12 volt negative earth system. 45 amp alternator. Four round halogen headlamps. Heated rear window. Hazard warning flashers. Single tone horn. Reversing lights. Integral rear fog lamps.

Body

All steel welded integral construction. Three door coupé with anti-burst door locks and pneumatic assistors on tailgate. Integral front spoiler. Spare wheel housed under load compartment platform. Effective luggage capacity as 2 seater 22.6 cu. ft or as 4 seater 9.3 cu. ft. 13-gallon fuel tank. Wide section black wrap-round bumpers. Black louvred grille. Black windscreen/backlight surround. Laminated windscreen. Black window surrounds. Wide section black rubber bodyside moulding. Black door handles and driver's and passenger's door mirrors. 2-speed wipers with intermittent wipe. Push button tailgate lock. Fuel tank locking cap.

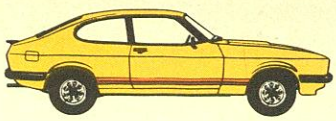
Interior

Individual reclining front seats with seat valances and head restraints. Split squab rear seat. Chequered 'Sandford' fabric trim. Colour co-ordinated carpet in passenger compartment. Load compartment carpet. Padded sunvisors with vanity mirror on passenger's side. Grey 'Soft-feel' instrument surround. Ford P21 push button MW/LW radio. Glove box with lock and lamp. Cigar lighter. Speedometer. Odometer. Fuel and water temperature gauges. Warning lights for alternator, oil pressure, main beam and direction indicators. Brake fluid level warning indicator. 3 lever control system for windscreen wipers, windscreen washers, horn, direction indicators, headlight flashers and dipped main beam, headlights and side lights.
Ignition/steering column lock. Aeroflow face level vents. 2-speed heater fan with illuminated heater controls. Front and rear ashtrays. Door operated courtesy light.
Instrument illumination rheostat. Recessed inertia reel front seat belts. Rear package tray. Trinket tray and clock. Three grab handles.

The car illustrated is a Capri L in Glacier Blue. Options fitted at extra cost are sports road wheels and metallic paint.

Further details on pages 66–68.

CAPRI LS



Engine

1600 OHC with single variable venturi carburettor and automatic choke.

Transmission

As Capri L.

Suspension & Steering

As Capri L, but with uprated suspension.

Brakes

As Capri L.

Wheels & Tyres

5½" Sports Road wheels and 185/70SR×13 tyres.

Lighting & Electrical

As Capri L.

Body

As Capri L, but with tailgate spoiler, bodyside tape-stripe, black 'A' Pillar but without wide section bodyside moulding.

Interior

As Capri L, but with 'Laser' seat fabric. Tripmeter, tachometer, ammeter, oil pressure gauge, red surround to instruments. Sports gearshift knob. Load compartment mat. Handbrake/brake fluid level warning indicator.

The car illustrated is a Capri LS in Cardinal Red.

Further details on pages 66–68.

VAT shown in this Price Guide is calculated at 15%. The total price of a car, including Car Tax, options, and accessories fitted by the Ford Dealer, will be subject to VAT on retail price.

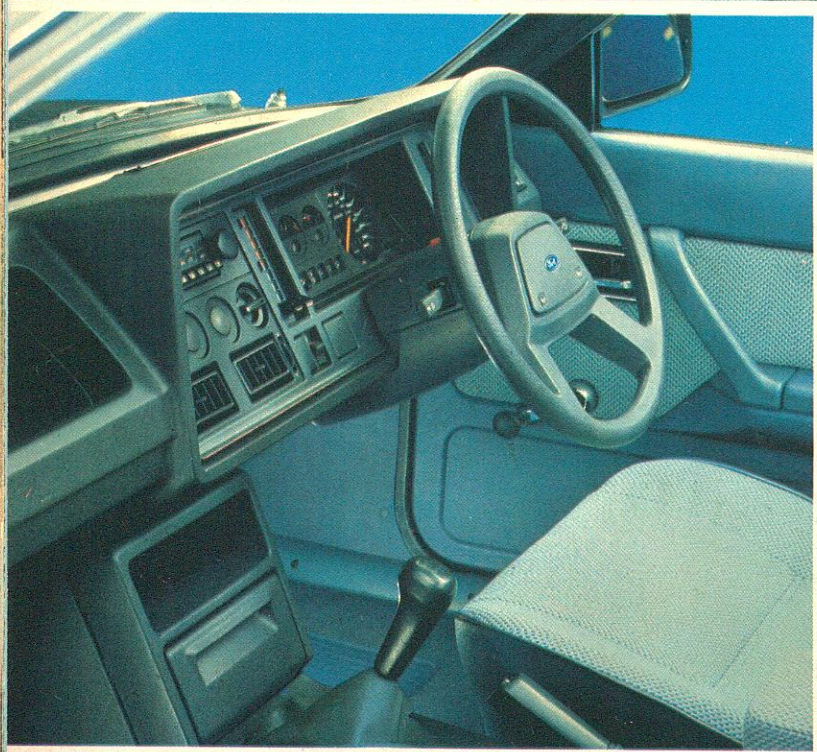
The prices quoted in this Guide are the maximum prices, and do not include the cost of number plates. In addition, a standard delivery charge of £83.24 plus £12.49 VAT total £95.73 will be made on all models. (A further charge will be made on vehicles to Northern Ireland and the Channel Islands.)

The Ford Granada

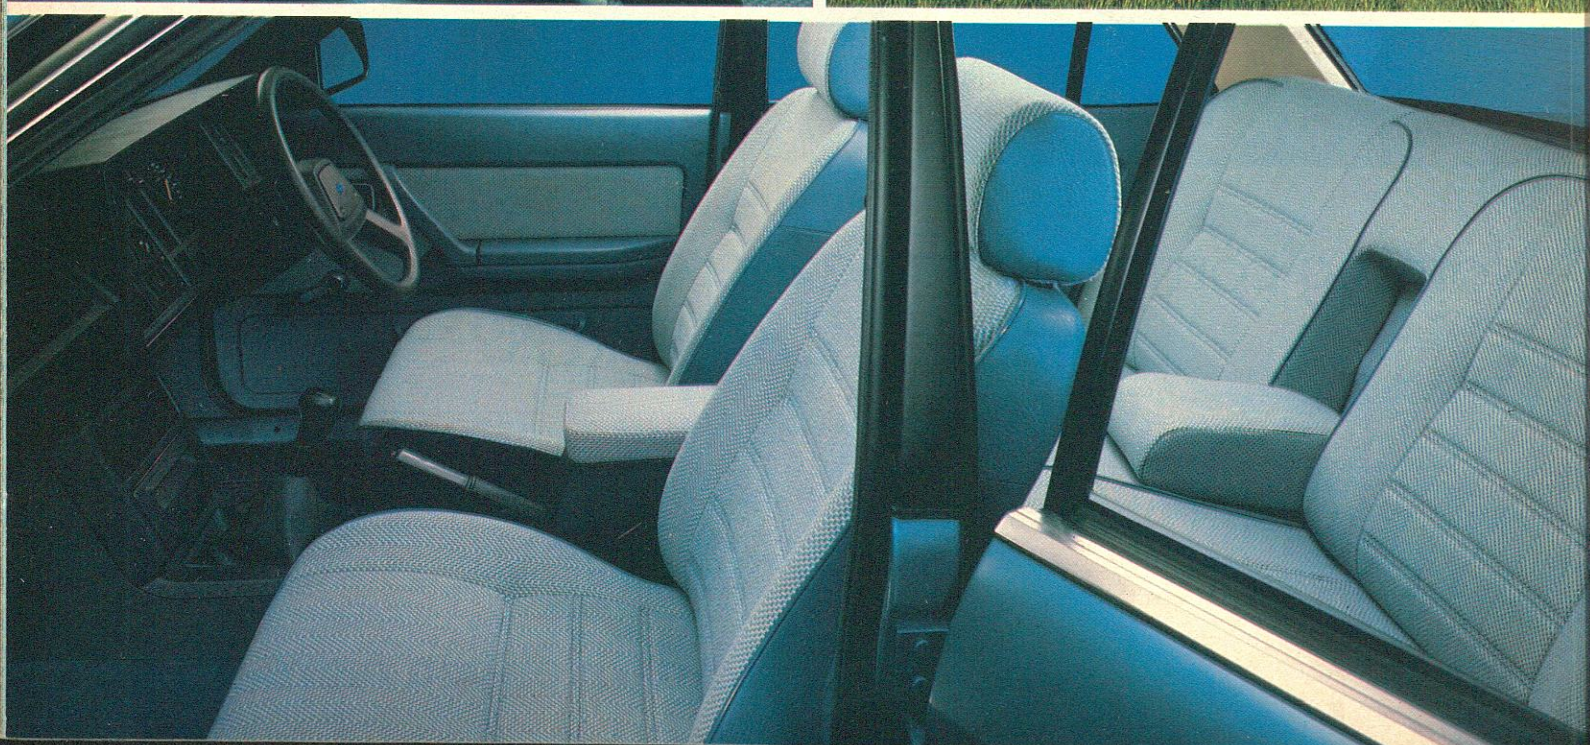
Nothing comes near the incredibly well-equipped Granada 2.8i Ghia X.

Ford gives you more. Ford

GRANADA



GRANADA



PHOTOGRAPHED IN GLEN TARBERT, ARGYLL

GRANADA L

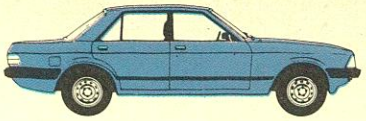
☐ 2.0 litre OHC or 2.3 litre V6 engine
☐ Electronic breakerless ignition
☐ Independent suspension front and rear
☐ Ford P21 push button MW/LW radio
☐ Reclining front seats with adjustable head restraints
☐ Laminated windscreen
☐ Driver's seat adjustable lumbar support
☐ Remote control driver's door mirror

NEW FEATURES

☐ Fuel tank locking cap
☐ Central door and boot locking
☐ Remote control passenger door mirror

NOTE: For 1983 Model Year, Granada L will be supplied in different body and trim colours to those illustrated. Please see colour and trim guide for 1983 Model Year colour and trim availability.

GRANADA L



Engines

2.0 litre OHC or 2.3 litre V6. Both with automatic choke, and electronic breakerless ignition.

Transmission

Cable operated self-adjusting single plate diaphragm spring clutch, 4-speed all synchromesh gearbox with remote control floor gearshift. Split drive shaft. Automatic transmission with oil cooling is optional at extra cost.

Suspension & Steering

Rack and pinion steering with safety steering column and anti-theft lock. Turning circle between kerbs of 34.4 ft (10.5 m). Two spoke soft feel steering wheel. Four spoke steering wheel with power assisted steering (optional at extra cost on 2.0 litre). Power assisted steering standard on 2.3 V6. Fully independent front and rear suspension.
Front: Independent with double wishbone isolated by rubber mountings. Coil springs, lubricated for life ball joints, subframe mounted anti-roll bar. Gas shock absorbers.
Rear: Independent semi-trailing arm/coil spring type with two plunging constant velocity joints on each half shaft. Whole unit mounted on bonded rubber insulators to body. Gas shock absorbers.

Brakes

Hydraulic dual line vacuum servo assisted front discs and rear drums.

Wheels & Tyres

Styled 14"×6" steel road wheels. Plastic centre cap and 175SR×14 radial ply tyres.

Lighting & Electrical

12 volt negative earth system. Rectangular halogen headlights. Reversing lights. Hazard warning lights. Pre-engage starter. Heated rear window. Dual tone horn. Integral rear fog lamps. Miniature torch in key.

Body

All steel welded integral construction. Comprehensive multi-stage corrosion protection including special wax injection to cavities and PVC coating to critical stone chip areas, and the underbody is sealed to resist salt spray. 4 doors anti-burst door locks with childproof locks on rear doors. Central door and boot locking operated from the door lock or locking button. Push button boot lock. Boot effective capacity 14.3 cu.ft. Spare wheel housed inside the boot.14.6 gallon fuel tank with fuel tank locking cap. Body coloured 3 louvre design radiator grille with drag reducing aerofoil section. Integral front air dam. Bright bumpers with centre pads and black wrap-round end sections. Valance grille below bumper. Bright front and rear windscreen surrounds. Bright drip rail and belt rail mouldings. Black door window cappings. Black PVC bodyside protection mouldings. Laminated windscreen. Heated rear window. 2-speed windscreen wipers with variable intermittent wipe. Electric windscreen washers. Remote control driver's and passenger's door mirror. Front and rear towing hooks. Radio aerial.

Interior

Reclining front seats with colour keyed seat valance and adjustable lumbar support on driver's seat. Inertia reel front seat belts with reels concealed on centre door pillar and seat belt buckle mounted on the seat frame. Fabric covered front centre armrest with glovebox and rear cigar lighter. Gearshift and handbrake with vinyl gaiter. Front console with trinket tray and illuminated ashtray. Rear seat folding centre armrest. 'Truro' fabric seat trim. Fabric covered adjustable front seat head restraints. Perforated PVC headlining. Day/night dipping rear view mirror. Two sunvisors with vanity mirror on passenger side. Full width soft-feel crash pad with integral parcel shelf and four face level vents, glovebox with lock and lamp. Stratified heating system with illuminated controls and 3-speed booster fan. Three lever control system for indicators main and dipped beam, headlight flashers, headlight and side light control, windscreen wipers and electric screen wash. Horn push on steering wheel. Speedometer with odometer and tripmeter. Clock, fuel gauge and temperature gauge. Warning light for direction indicators, handbrake/brake fluid level, main beam, ignition and oil pressure. Fascia mounted cigar lighter and illuminated switches for heated rear window and rear fog lamps. Instrument illumination brightness and intermittent wipe interval controls. Hazard warning light switch mounted on steering column. Moulded door trim including 'Truro' fabric inserts with integral door pulls/armrests. Door release with integral interior lock buttons. Moulded front door bins and rear door mounted ashtrays. Padded vinyl rear package tray. Passenger compartment carpet colour keyed to seats. Luggage compartment carpet. Ford P21 MW/LW push button radio and one front mounted radio speaker. Front and rear interior lights with front and rear door operated switches. Boot light and switch.

The car illustrated is a Granada L in Titan Blue. (Metallic paint is an option at extra cost.)*

** No longer available in 1983 Model Year.*

Further details on pages 84–86.

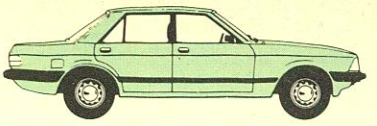
GRANADA GL

NEW FEATURES

☐ Electrically adjustable driver's seat
☐ Electrically operated front windows
☐ All-round tinted glass
☐ Push-button radio/stereo cassette player (RST 21P) with 4 speakers and joystick balance control
☐ Electrically operated remote control and heated driver and passenger door mirrors
☐ Wheel rim embellishers
☐ Fuel tank locking cap

PHOTOGRAPHED AT LOCH ARKAIG AND LOCH NAN-UAMH, INVERNESS-SHIRE

GRANADA GL



Engines

2.0 litre OHC, 2.3 litre V6 or 2.8 litre V6 all with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon, except: Automatic transmission with oil cooling, standard with 2.8 litre V6.

Suspension & Steering

As Granada L Saloon but with: Power assisted steering and four spoke soft feel steering wheel standard on 2.3 litre V6 and 2.8 litre V6, optional on 2.0 litre OHC. Two spoke steering wheel standard with the 2.0 litre OHC. Power assisted steering mandatory with optional handling pack.

Brakes

As Granada L Saloon but with: Ventilated front disc brakes on 2.8 litre V6 engines.

Wheels & Tyres

As Granada L Saloon but with: Bright metal wheel centre covers and rim embellishers. 175 HR×14 radial ply tyres with manual transmission 2.8 litre V6. 185 tyres mandatory with optional alloy wheels.

Lighting & Electrical

As Granada L Saloon.

Body

As Granada L Saloon but with: Tilting/sliding sunroof. Wide black PVC bodyside protection mouldings. Heated and electrically adjustable driver's and passenger side remote control door mirrors. Tinted glass all round. Bright door sill plates. Additional sound insulation.

Interior

As Granada L but with: Reclining front seats with colour keyed fabric seat valance and adjustable lumbar support on the driver's and passenger seats. Electrically operated adjustment for driver's seat. 'Chelsea' fabric trim seats and door inserts. Soft feel front console with trinket tray and coin rack with illuminated ashtray. Multi-function digital clock. Cut pile passenger compartment carpet. Fabric headlining. Sunvisors with fabric inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauge. Woodgrain effect instrument panel. Overhead console incorporating sunroof control, front courtesy light, two map reading lights, and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Cloth covered rear package tray. Ford RST 21P push button mono radio (LW/MW)/stereo cassette with two front and two rear mounted speakers with 4-way joystick balance control. Electrically operated front windows. Engine compartment light operated from side lights.

The car illustrated is a Granada 2.8 GL in Crystal Green. Options fitted at extra cost are metallic paint, electrically operated rear windows, headlamp wash with overriders, push button stereo radio (MW/LW/VHF)/stereo cassette SRT32P, and electrically operated radio aerial.

Further details on pages 84–86.

GRANADA GHIA

The new Granada Ghia has all the equipment fitted to the previous Ghia apart from the following changes:

☐ Addition of an electrically adjustable driver's seat

☐ Manual sunroof, instead of electric sunroof

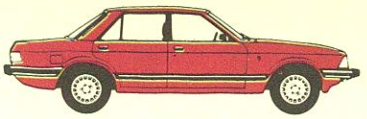
☐ RST 21P radio/stereo cassette player instead of the electronic ESRT 32PS stereo radio/stereo cassette

☐ Deletion of front fog lamps

PLUS LOWER PRICE

– 2.8 Ghia saloon now only £9990

GRANADA GHIA



Engine

2.8 litre V6, with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon but with automatic transmission with oil cooling standard.

Suspension & Steering

As Granada L Saloon but with four spoke soft feel steering wheel and power assisted steering.

Brakes

As Granada L Saloon but with ventilated front disc brakes.

Wheels & Tyres

Alloy road wheels with 185 SR×14 radial ply tyres on 6" rims.

Lighting & Electrical

As Granada L Saloon.

Body

As Granada L Saloon but with body coloured 2 louvred grille and bright surrounds. Tilting/sliding sunroof. Wide PVC bodyside protection moulding with bright inserts. Bodyside twin pinstripe. Heated and electrically adjustable remote control driver's and passenger's door mirrors. Tinted glass and tinted laminated windscreen. Electric boot lid release. Bright bumper and wrap-round end sections with black centre pads. Rear overriders and front overriders incorporating headlamp pressure wash jets. Electrically operated radio aerial. Bright door sill plates. Additional sound insulation.

Interior

As Granada L Saloon but with reclining front seats with seat back map pockets, colour keyed fabric covered seat valances and adjustable lumbar support on the driver's and passenger's seats. Driver's seat electric adjust for height, tilt and front/rear. Crushed 'Velour' with 'Chatsworth' fabric trim inserts. Front and rear seats with adjustable head restraints. Front centre armrest with Crushed 'Velour' fabric cover incorporating cassette stowage. Soft feel front console with trinket tray and coin rack with illuminated ashtray and Ford RST 21P push button radio (LW/MW)/stereo cassette player with two front mounted and two rear mounted speakers with 4-way joy stick balance control. Electrically operated front and rear windows. Cut pile passenger compartment carpet. Fabric headlining and recessed sunvisors with fabric inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauges. Woodgrain effect instrument panel. Illuminated switches for rear fog lamps, electric boot lid release and heated rear window. Moulded door trims including 'Chatsworth' fabric inserts with integral door pulls/armrests. Wood effect upper inserts and cut pile carpet on lower door section. Multi-function digital clock, overhead console incorporating sliding/tilting sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Front courtesy light and two rear reading lights fitted to the rear window/door pillars have delayed 'switch off' action. Cloth covered rear package tray. Non-slip rubber mat on front integral parcel shelf. Engine compartment light operated with side lights.

The car illustrated is a Granada 2.8 Ghia in Champagne Gold. Option at extra cost is metallic paint.

NOTE: For 1983 Model Year, interior trim colour will be different to that illustrated. Please see colour and trim guide for full details of 1983 Model Year colour and trim availability.

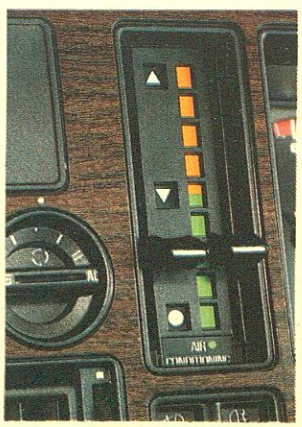
PHOTOGRAPHED IN GLEN NEVIS, INVERNESS-SHIRE

GRANADA GHIA 'X'

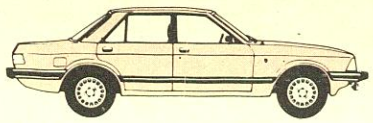
NEW FEATURES

☐ Air conditioning
☐ Electrically adjustable driver's and front passenger's seats
☐ Heated driver's and front passenger's seats
☐ Trip computer ☐ Metallic paint
☐ Rear seat belts (2 inertia reel and 1 centre static lap belt)
☐ Automatic transmission on 2.8i engine (already standard on 2.8 carburettor version)

NOTE: For 1983 Model Year, interior trim colour will be different to that illustrated. Please see colour and trim guide for full details of 1983 Model Year colour and trim availability.



GRANADA GHIA 'X'



Engines

2.3 litre V6, 2.8 litre V6, or 2.8 litre V6 fuel injection. All with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon but with automatic transmission with oil cooling standard on the 2.8 litre V6 and 2.8 litre V6 fuel injection. Manual transmission standard on 2.3 litre V6 (automatic transmission with oil cooling available as an option at extra cost).

Suspension & Steering

As Granada L Saloon but with four spoke soft feel steering wheel and power assisted steering.
2.8 litre V6 fuel injection has front stabiliser bar increased to 26 mm diameter and 12 mm rear stabiliser bar. Revised front and rear shock absorbers and revised rate rear springs.

Brakes

As Granada L Saloon but with ventilated front disc brakes with 2.8 litre V6 and 2.8 litre fuel injection engines.

Wheels & Tyres

Alloy road wheels with 185 SR×14 radial ply tyres on 6" rims on the 2.3 litre V6 and 2.8 litre V6.
Alloy road wheels with 150 TR 390 FM rims with Michelin 190/65 HR 390 TRX radial ply tyres on the 2.8 litre V6 fuel injection.

Lighting & Electrical

As Granada L Saloon but with front fog lamps.

Body

As Granada L Saloon but with metallic paint and body coloured 2 louvred grille and bright surrounds. Electric tilting/sliding sunroof. Wide PVC bodyside protection moulding with bright inserts. Bodyside twin pinstripe. Heated and electrically adjustable remote control driver's and passenger's door mirrors. Tinted glass and tinted laminated windscreen. Electric boot lid release. Bright bumper and wrap-round end sections with black centre pads. Rear overriders and front overriders incorporating headlamp pressure wash jets. Electrically operated radio aerial. Bright door sill plates. Additional sound insulation. Integral front air dam with additional front spoiler on 2.8 litre V6 fuel injection.

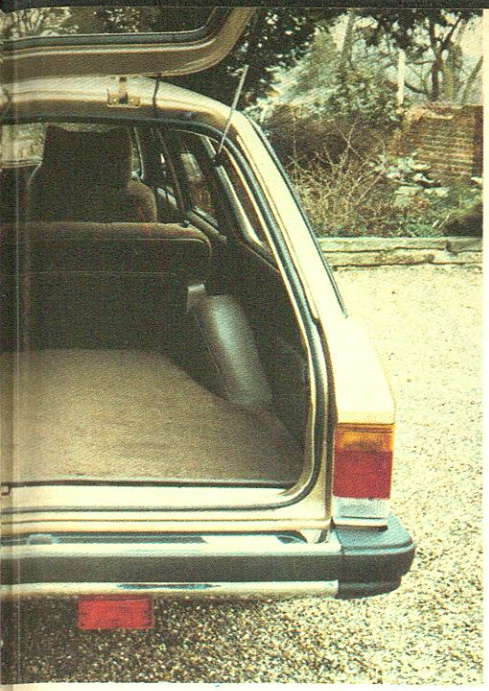
Interior

As Granada L Saloon but with reclining front seats with seat back map pockets, coloured keyed fabric covered seat valances and adjustable lumbar support and heater on the driver's and passenger's seats. Driver and passenger's seat electric adjust for height, tilt and front/rear movement. Crushed 'Velour' with 'Chatsworth' fabric trim inserts. Front and rear seats with adjustable head restraints. Rear inertia reel seat belts with centre lap strap. Front centre armrest with Crushed 'Velour' fabric cover incorporating cassette stowage. Air conditioning with stratified heating system with illuminated controls and 3-speed booster fan. Soft feel front console with trinket tray and coin rack with illuminated ashtray and Ford ESRT32PS push button all electronic multi-feature stereo radio (LW/MW/FM)/stereo cassette player with two front mounted and two rear mounted speakers with 4-way joy stick balance control. Electrically operated front and rear windows. Cut pile passenger compartment carpet. Fabric headlining and recessed sunvisors with fabric inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure fuel and temperature gauges. Woodgrain effect instrument panel. Illuminated switches for front and rear fog lamps, electric boot lid release and heated rear window. Moulded door trims including 'Chatsworth' fabric inserts with integral door pulls/armrests. Wood effect upper inserts and cut pile carpet on lower door section. Trip computer including multi-function digital clock, overhead console incorporating electric sliding/tilting sunroof switch, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Front courtesy light and two rear reading lights fitted to the rear window/door pillars have delayed 'switch off' action. Cloth covered rear package tray. Non-slip rubber mat on front integral parcel shelf. Engine compartment light operated with side lights.

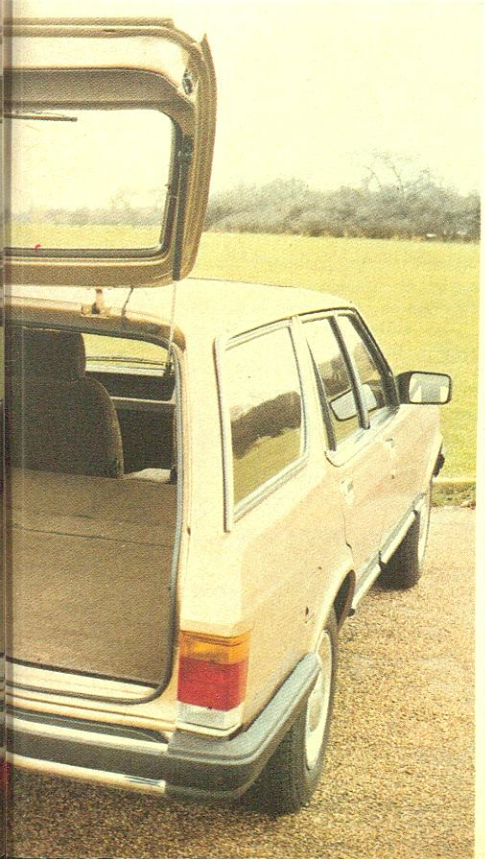
The car illustrated is a Granada 2.8 Ghia 'X' in Strato Silver.

Further details on pages 84–86.

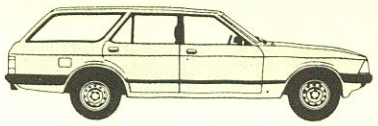
GRANADA ESTATES



Granada Estates are available in the following versions:
Granada L with 2.0 OHC or 2.3 V6 engines.
Granada GL with 2.0 OHC, 2.3 V6 or 2.8 V6 engines.
Granada Ghia with 2.8 V6 engine.
Granada Ghia 'X' with 2.8 V6 or 2.8 V6 fuel injection engines.
Granada 2.8 injection with 2.8 V6 fuel injection engine.



GRANADA L ESTATE CAR



Engines

2.0 litre OHC or 2.3 litre V6. Both with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon. Automatic transmission not available on 2.0 litre OHC.

Suspension & Steering

As Granada L Saloon.

Brakes

As Granada L Saloon.

Wheels & Tyres

Styled 14×6 steel road wheels. Plastic centre cap and 185 SR×14 radial ply tyres.

Lighting & Electrical

As Granada L Saloon but with single rear fog lamp mounted below the bumper.

Body

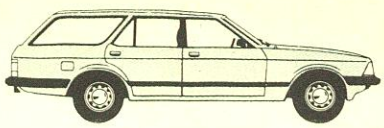
All steel welded integral construction. Comprehensive multi-stage corrosion protection including special wax injection to cavities and PVC coating to critical stone chip areas and the underbody is sealed to resist salt spray. Four doors, anti-burst locks with childproof locks on rear doors. Central door and tailgate locking operated from driver's door as interior locking button. Top hinged tailgate with pneumatic struts and push button release. Load capacity as a 5 seater 41.7 cu. ft. As a 2 seater 77 cu. ft giving a flat loadspace floor maximum length of over 80", floor width between arches over 45". Spare wheel housed under load platform. 14 gallon fuel tank with locking cap. Body coloured 3 louvred design radiator grille with drag reducing aerofoil section. Integral front air dam. Bright bumpers with centre pads and black wrap-round end sections. Valance grille below front bumper. Bright front and rear windscreen surrounds. Bright drip rail and belt rail mountings. Black door and window cappings. Black PVC bodyside protection mouldings. Laminated windscreen. Heated rear window. Two-speed windscreen wipers with variable intermittent wipe. Electric windscreen washers. Remote control passenger and driver's door mirror. Front and rear towing hooks. Radio aerial. Tailgate wash/wipe.

Interior

As Granada L Saloon but with: Folding rear seats without centre rear armrest. Load compartment side wall trim including concealed storage on both sides. Illuminated switches for heated rear window, rear fog lamp and tailgate wash/wipe. Interior light courtesy switch on tailgate in place of boot light and switch. Load compartment carpet. Less rear package tray.

The car illustrated is a Granada GL Estate in Champagne Gold (Metallic Paint optional at extra cost).

GRANADA GL ESTATE CAR



Engines

2.0 litre OHC, 2.3 litre V6 or 2.8 litre V6 engines, with automatic choke and electronic breakerless ignition.

Transmission

Automatic transmission with oil cooling standard or 2.8 litre V6. Manual transmission standard on 2.0 litre OHC and 2.3 litre V6. Automatic transmission with oil cooling is optional at extra cost.

Suspension & Steering

As Granada L Saloon but with: Power assisted steering and four spoke soft feel steering wheel with 2.3 litre V6 and 2.8 litre V6. Power assisted steering mandatory with optional handling pack.

Brakes

As Granada L Saloon but with: Ventilated front disc brakes on 2.8 litre V6 engines.

Wheels & Tyres

As Granada L Saloon but with: Rim embellishers. Bright metal wheel centre covers 185 SR×14 tyres.
185 HR×14 tyres with manual transmission on 2.8 litre V6.

Lighting & Electrical

As Granada L Saloon but with: Single rear fog lamp mounted below the bumper.

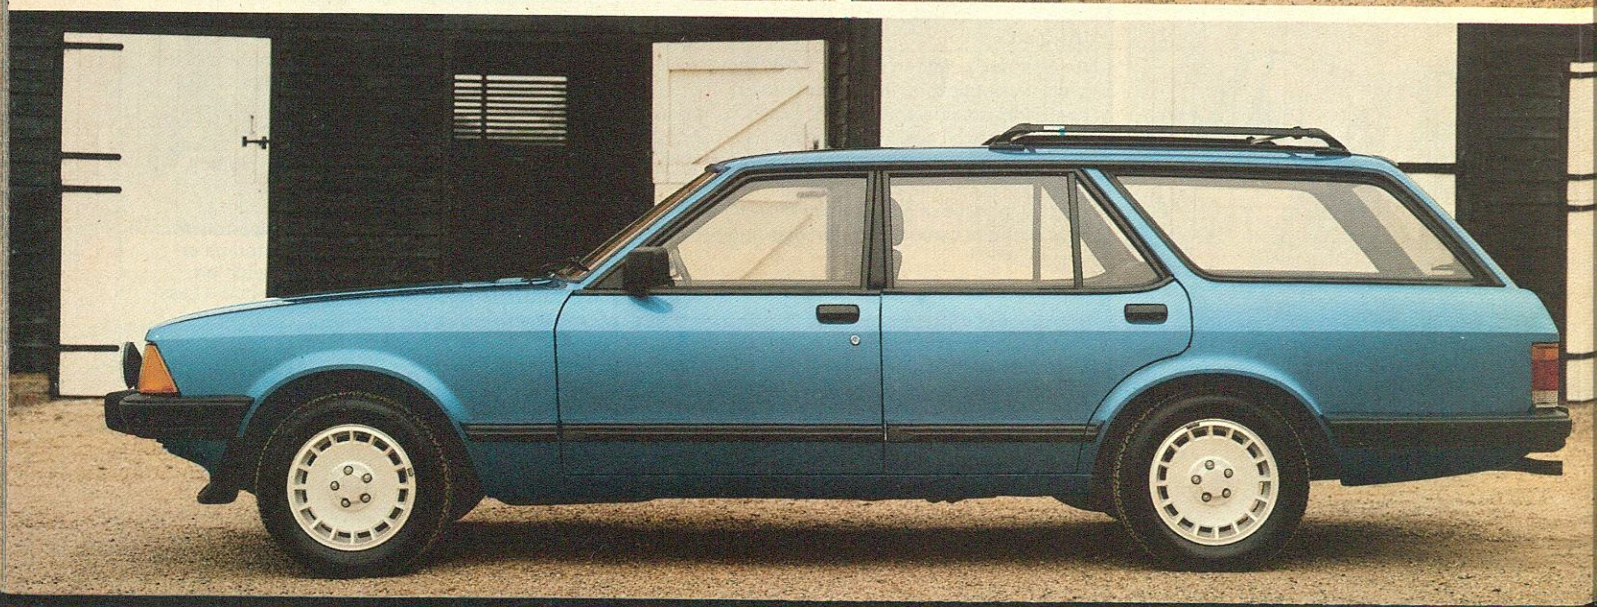
Body

As Granada L Estate but with: Tilting/sliding sunroof. Wide black PVC bodyside protection moulding. Heated and electrically adjustable driver's and passenger side remote control door mirrors. Tinted glass. Bright door sill plates. Additional sound insulation.

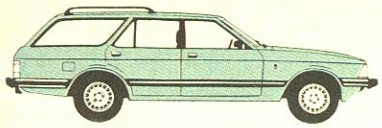
Interior

As Granada L Saloon but with: Reclining front seats with colour keyed cloth seat valance and adjustable lumbar support on the driver's and passenger seats. Electrically operated adjustment for driver's seat. Folding rear seats without centre rear armrest. 'Chelsea' fabric trim seats and door inserts. Soft feel front console with trinket tray and coin rack with illuminated ashtray and multi-function digital clock. Cut pile passenger and load compartment carpet. Fabric headlining. Sunvisors with fabric inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauge. Illuminated switches for heated rear window, rear fog lamp and tailgate wash/wipe. Woodgrain effect instrument panel. Overhead console incorporating sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant, and washer levels. Ford RST 21P push button mono radio (MW/LW)/stereo cassette with two front and two rear speakers, with 4-way joy stick balance control. Electrically operated front windows. Engine compartment light operated from side lights. Load compartment side wall trim including concealed storage on both sides. Interior light courtesy switch on tailgate in place of boot light and switch. (Less rear package tray.)

GRANADA



GRANADA GHIA ESTATE CAR



Engine

2.8 litre V6 with automatic choke and electronic breakerless ignition.

Transmission

Automatic transmission with oil cooling standard.

Suspension & Steering

As Granada L Saloon but with: Four spoke soft feel steering wheel and power assisted steering.

Brakes

As Granada L Saloon but with ventilated front disc brakes.

Wheels & Tyres

Alloy road wheels with 185 SR×14 radial ply tyres on 6" rims.

Lighting & Electrical

As Granada L Saloon but with single rear fog lamp mounted below the bumper.

Body

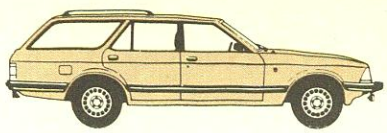
As Granada L Estate but with: Body coloured two louvred grille and bright surround. Tilting/sliding sunroof. Wide PVC bodyside protection moulding with bright inserts. Bodyside twin pinstripe. Heated and electrically adjustable remote control driver's and passenger door mirrors. Tinted glass and tinted laminated windscreen. Bright bumpers and wrap-round end sections with black centre pads. Rear overriders and front overriders incorporating headlamp pressure wash jets. Electrically operated radio aerial. Bright door sill plates. Bright metal roof rack.

Interior

As Granada L Saloon but with reclining front seats with colour keyed cloth seat valance and adjustable lumbar support on the driver's and passenger seats. Driver's seat electric adjust for height, tilt and front/rear. Folding rear seats without rear centre armrest. Crushed 'Velour' and 'Chatsworth' fabric trim seats. Soft feel front console with trinket tray and coin rack with illuminated ashtray and Ford RST 21P push button radio (LW/MW)/stereo cassette player with two front mounted and two rear mounted speakers with 4-way joystick balance control on fascia. Electrically operated front and rear windows. Cut pile passenger and luggage compartment carpet. Cloth headlining and recessed sunvisors with cloth inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauge. Woodgrain effect instrument panel. Illuminated switches for rear fog lamp, tailgate wash/wipe and heated rear window. Moulded door trim including Chatsworth fabric inserts with integral door pulls/armrest. Wood effect upper inserts and cut pile carpet on lower door sections. Multi-function digital clock. Overhead console incorporating sliding/tilting sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Front courtesy lights have delayed 'switch off' action. Interior light courtesy switch on tailgate in place of boot light and switch. Non-slip rubber mat on front integral parcel shelf. Engine compartment light operated with side lights. (Less rear package tray.)

NOTE: For 1983 Model Year, Granada 2.8i is no longer available in colour illustrated. Please see colour and trim guide for 1983 Model Year colour and trim availability.

GRANADA GHIA 'X' ESTATE CAR



Engines

2.8 litre V6 or 2.8 litre V6 fuel injection. Both with automatic choke and electronic breakerless ignition.

Transmission

Automatic transmission with oil cooling standard.

Suspension & Steering

As Granada L Saloon but with: Four spoke soft feel steering wheel and power assisted steering. 2.8 litre V6 fuel injection has front stabiliser bar increased to 26 mm diameter and 12 mm rear stabiliser bar. Revised front and rear shock absorbers and revised rate rear springs.

Brakes

As Granada L Saloon but with ventilated front disc brakes.

Wheels & Tyres

Alloy road wheels with 185 SR×14 radial ply tyres on 6" rims on 2.8 litre V6. Alloy road wheels with 150 TR 390 FH rims with Michelin 190/65 HR 390 TRX radial ply tyres on the 2.8 litre V6 fuel injection.

Lighting & Electrical

As Granada L Saloon but with: Front fog lamps and single rear fog lamp mounted below the bumper.

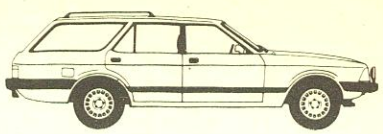
Body

As Granada L Estate but with: Metallic paint and body coloured two louvred grille and bright surround. Tilting/sliding sunroof. Wide PVC bodyside protection moulding with bright inserts. Bodyside twin pinstripe. Heated and electrically adjustable remote control driver's and passenger door mirrors. Tinted glass and tinted laminated windscreen. Bright bumpers and wrap-round end sections with black centre pads. Rear overriders and front overriders incorporating headlamp pressure wash jets. Electrically operated radio aerial. Bright door sill plates. Integral front air dam with additional front spoiler on 2.8 litre V6 fuel injection. Bright metal roof rack.

Interior

As Granada L Saloon but with reclining front seats with colour keyed cloth seat valance and adjustable lumbar support and heater on the driver's and passenger seats. Driver and passenger seats electric adjust for height, tilt and front/rear movement. Folding rear seats without rear centre armrest. Crushed 'Velour' and 'Chatsworth' fabric trim seats. Rear inertia reel seat belts with centre lap strap. Soft feel front console with trinket tray and coin rack with illuminated ashtray and Ford ESRT32PS push button all electronic multi-feature stereo radio (LW/MW/FM)/stereo cassette player with two front mounted and two rear mounted speakers with 4-way joystick balance control on fascia. Air conditioning with stratified heating system. Electrically operated front and rear windows. Cut pile passenger and luggage compartment carpet. Cloth headlining and recessed sunvisors with cloth inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauge. Woodgrain effect instrument panel. Illuminated switches for front fog lamps, rear fog lamp, tailgate wash/wipe and heated rear window. Moulded door trim including Chatsworth fabric inserts with integral door pulls/armrests. Wood effect upper inserts and cut pile carpet on lower door sections. Trip computer including multi-function digital clock. Overhead console incorporating sliding/tilting sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Front and rear courtesy lights have delayed 'switch off' action. Interior light courtesy switch on tailgate in place of boot light and switch. Non-slip rubber mat on front integral parcel shelf. Engine compartment light operated with side lights. (Less rear package tray.)

GRANADA 2·8 INJECTION ESTATE CAR



Engine

2.8 litre V6 fuel injection with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon.

Suspension & Steering

As Granada L Saloon but with: Four spoke soft feel steering wheel and power assisted steering. Front stabiliser bar increased to 26 mm diameter and 12 mm rear stabiliser bar. Revised front and rear shock absorbers and revised rate rear springs.

Brakes

As Granada L Saloon but with: Ventilated front disc brakes.

Wheels & Tyres

Bright finish light alloy wheels 150 TR 390 FH rims with Michelin 190/65 HR 390 TRX radial ply tyres.

Lighting & Electrical

As Granada L Saloon but with: Front driving lamps and single rear fog lamp mounted below the bumper.

Body

As Granada L Estate but with: Tilting/sliding sunroof. Wide black PVC bodyside protection moulding. Body coloured bumpers with centre pad and overriders and wrap-round end sections. Black front and rear windscreen surrounds. Black drip rail and belt rail mouldings. Bright door sill plates. Tinted glass. Additional sound insulation and '2.8 Injection' tailgate decal. Black roof rack.

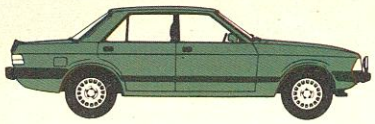
Interior

As Granada L Saloon but with: 'Recaro' front seats with folding rear seats without centre rear armrests. 'Chelsea' fabric trim seats and door inserts. Soft feel front console with trinket tray and coin rack with illuminated ashtray. Ford RST21P push button mono radio (MW/LW)/stereo cassette with two front and two rear speakers and 4-way joy stick balance control. Electrically operated front windows. Cut pile passenger and load compartment carpet. Cloth headlining. Sunvisors with cloth inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure, fuel and temperature gauges. Illuminated switches for heated rear window, rear fog lamp and tailgate wash/wipe. Multi-functional digital clock. Woodgrain effect instrument panel. Overhead console incorporating sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant, and washer levels. Engine compartment light operated from side lights. Load compartment side wall trim including concealed storage on both sides. Interior light courtesy switch on tailgate in place of boot light and switch. (Less rear package tray.)

The car illustrated is a Granada 2.8 Injection Estate Car. Options fitted at extra cost are Metallic Paint and Headlamp Wash.
Note: *In production, the car illustrated will be fitted with a red bodyside pin-stripe and red decal on tailgate.*

Further details on pages 84–86.

GRANADA 2·8 INJECTION



Engine

2.8 litre V6 fuel injection with automatic choke and electronic breakerless ignition.

Transmission

As Granada L Saloon.

Suspension & Steering

As Granada L Saloon but with: four spoke soft feel steering wheel and power assisted steering. Front stabiliser bar increased to 26 mm diameter, and 12 mm rear stabiliser bar. Revised front and rear shock absorbers and revised rate rear springs.

Brakes

As Granada L Saloon but with: Ventilated front disc brakes.

Wheels & Tyres

Bright finish light alloy road wheels 150 TR 390 FH rims with Michelin 190/65 HR 390 TRX radial ply tyres.

Lighting & Electrical

As Granada L Saloon but with: Front driving lamps.

Body

As Granada L Saloon but with: Tilting/sliding sunroof. Wide black PVC bodyside protection moulding. Heated and electrically adjustable driver and passenger side remote control door mirrors. Tinted glass. Integral front air dam with additional front spoiler and boot lid spoiler. Body coloured bumpers with centre pad and overriders and black wrap-round end sections. Black front and rear windscreen surrounds. Black drip rail and belt rail moulding. Bright door sill plates. Additional sound deadening and '2.8 Injection' boot lid decal.

Interior

As Granada L Saloon but with: 'Recaro' front seats with 'Chelsea' fabric trim and door inserts. Cloth covered front centre armrest including cassette storage. Soft feel front console with trinket tray and coin rack with illuminated ashtray. Ford RST21P push button mono radio (MW/LW)/stereo cassette with two front and two rear speakers and 4-way joy stick balance control. Electrically operated front windows. Cut pile passenger compartment carpet. Cloth headlining. Sunvisors with cloth inserts and illuminated vanity mirror on passenger side. Speedometer with tripmeter and odometer. Tachometer. Ammeter. Oil pressure fuel and temperature gauges. Multi-function digital clock. Woodgrain effect instrument panel. Overhead console incorporating sunroof control, front courtesy light, two map reading lights and warning lights for brake pad wear, oil, fuel, coolant and washer levels. Cloth covered rear package tray. Engine compartment light operated from side lights. Luggage compartment carpet.

The car illustrated is a Granada 2.8 injection in Graphite Grey. Options fitted at extra cost are metallic paint, push button stereo radio (MW/LW/VHF)/ stereo cassette SRT32P, electrically operated radio aerial.

GRANADA DIESEL

☐ 2.1 litre diesel engine ☐ Four-speed all synchromesh gearbox ☐ Independent suspension front and rear ☐ Dual line servo assisted brakes ☐ Laminated windscreen ☐ Adjustable lumbar support on driver's seat

NEW FEATURES

☐ Central door and boot locking. Remote control driver and passenger door mirrors ☐ Fuel tank locking cap

GRANADA DIESEL TAXI

The Granada Diesel Taxi has the following special features fitted as standard equipment:

☐ Power assisted steering ☐ Front fog lamps ☐ Remote control driver's and front passenger's door mirrors ☐ Overriders ☐ Heavy duty vinyl seat trim ☐ Ashtrays on all doors ☐ Boot light and two additional interior lights mounted on the centre door pillars ☐ Fascia mounted clock and trip recorder ☐ Centre console modified to accept taximeter ☐ Electric suppression for two-way radio ☐ Wiring for roof mounted sign ☐ Drive cable for taximeter ☐ A visual/acoustic alarm system triggered by foot switch near the clutch pedal. The system activates hazard flashers, flashes the main beam headlights, sounds the horn intermittently and will continue until disconnected using an under-bonnet switch.

NEW FEATURES

☐ Central door and boot locking ☐ Fuel tank locking cap

GRANADA DIESEL

Engines

2.1 litre Diesel.

Transmission

As Granada L Saloon.

Suspension & Steering

As Granada L Saloon but with: Two spoke steering wheel with the 2.1 litre Diesel saloon and four spoke steering wheel and power assisted steering on the Diesel Taxi.

Brakes

As Granada L Saloon.

Wheels & Tyres

As Granada L Saloon.

Lighting & Electrical

12 volt negative earth system. Rectangular tungsten headlights. Reversing lights. Hazard warning lights. Pre-engage starter. Heated rear window. Integral rear fog lamps. Miniature torch in key. Dual tone horn.
Diesel Taxi also includes front fog lamps, visual acoustic alarm system. Two-way radio supression and wiring for roof mounted sign.

Body

Diesel Saloon
As Granada L but with Black 3 louvred design radiator grille. Fixed interval intermittent wipe. Fuel tank locking cap.
Diesel Taxi
As Diesel Saloon, but with: Additional sound insulation to floor and bonnet.

Interior

Diesel Saloon
Reclining front seats with colour keyed seat valance and adjustable lumbar support on driver's seat. Inertia reel front seat belts with reel concealed on centre door pillar and seat belt buckle mounted on the seat frame. Front console with trinket tray and illuminated ashtray. Rear seat folding centre armrest. 'Windsor' fabric seat trim. Perforated PVC headlining. Day/night dipping rear view mirror. Two sunvisors with vanity mirror on passenger side. Full width soft-feel crash pad with integral parcel shelf and four face level vents, glovebox with lock and lamp. Stratified heating system with illuminated controls and three-speed booster fan. Three lever control system for indicators, main and dipped beam, headlight flashers, headlight and sidelight control, windscreen wipers and electric screen wash. Horn push on steering wheel. Speedometer with odometer and tripmeter. Clock, fuel gauge and temperature gauge. Warning light for direction indicators, handbrake/brake fluid level, main beam, ignition and oil pressure. Fascia mounted cigar lighter and illuminated switches for heated rear window and rear fog lamps. Instrument illumination brightness control. Hazard warning light switch mounted on steering column. Moulded door trim with integral door pulls/armrests. Door release with integral interior lock buttons. Moulded front door bins and rear door mounted ashtrays. Padded vinyl rear package tray. Passenger compartment carpet colour keyed to seats. Luggage compartment mat.
Diesel Taxi
As Diesel Saloon but with front centre armrest with a glovebox and rear cigar lighter. Front console with fitting position for taxi meter and 2-way radio. Vinyl seat trim (optional Windsor fabric trim at extra cost). Ashtrays on all 4 doors. Two additional interior lamps fitted to the centre door pillars. Boot lamp and switch.

The car illustrated is a Granada Diesel in Cardinal Red. Options fitted at extra cost are power assisted steering, Ford P21 push button radio (MW/LW), electrically operated radio aerial and head restraints.

NOTE: For 1983 Model Year, interior trim colour will be different to that illustrated. Please see colour and trim guide for 1983 Model Year colour and trim availability.

Further details on pages 84–86.

EXTRA COVER – The Optional Warranty Plan from Ford. For details see page 88.

VAT shown in this Price Guide is calculated at 15%. The total price of a car, including Car Tax, options, and accessories fitted by the Ford Dealer, will be subject to VAT on retail price.

The prices quoted in this Guide are the maximum prices, and do not include the cost of number plates. In addition, a standard delivery charge of £83.24 plus £12.49 VAT total £95.73 will be made on all models. (A further charge will be made on vehicles to Northern Ireland and the Channel Islands).

OPTION PACKS

Please take this opportunity to consider the real benefits and value offered by option packs and further personalise your new Ford car by specifying an option pack, or individual options, for your new vehicle. (See Options pages at end of each model section for availability.)

Check out the maximum recommended prices of the individual options included in the packs and you will notice the saving that can be made when you say yes to OPTION PACKS.

FIESTA OPTION PACKS

	Model Availability	Total Price*
Executive Pack – includes sunroof – tilting/removable screened glass, push button radio (MW/LW)/stereo cassette RST 21P and headlamp wash with overriders	GL & S	£227.24

The durable screened glass sunroof can be tilted, removed or just look good left in place, while a radio/stereo cassette has become more and more of a customer requirement for providing added in-car entertainment. Headlamp wash mounted within overriders, will clean the headlamps of the car with jets or pressurised water when the headlamps and screen washers are in operation.

Individually the options provide real benefits that will add to your overall motoring enjoyment, but specify the option pack and your car will have that 'executive' touch.

	Model Availability	Total Price*
Climate Control Pack – includes tinted glass – all round, tinted gradient band windscreen and opening front quarter windows	L, GL & S	£70.81

All round tinted glass plus the additionally tinted gradient band windscreen combine to filter out some of the glare from bright sunshine. Opening front quarter windows extend the climate control theme by allowing you to increase the direct ventilation and airflow into the driver and passenger compartment.

The features within climate control option pack not only offer very real functional benefits, they are visually attractive too, and will add an added touch of luxury to your new car.

ESCORT OPTION PACK

	Model Availability	Total Price*
Executive Pack includes push button radio (MW/LW)/stereo cassette RST 21P, sunroof – tilting/sliding screened glass and electrically operated radio aerial	GL Saloon & XR3	£318.72

The Ford in-car entertainment range includes a mono radio/stereo cassette that features all the normal controls you would expect and reproduces sound to an excellent quality. For Escort this option also includes a purpose designed cassette storage area. To complement your audio equipment an electric aerial is included in the pack and will automatically retract to avoid vandal damage when the unit is switched off.

Combining the best features of the sunroofs available on other Ford models, the Escort sunroof comprises a screened-glass panel with tilt/slide capabilities. The sunroof also incorporates a separate louvred sunshield, mounted in the headlining, which can be slid forward as required (when the sunroof is either closed or tilted) to provide additional shielding.

Be sure to add these 'executive' touches to your award winning new Escort.

CORTINA OPTION PACK

	Model Availability	Total Price*
Executive Pack – includes sunroof – sliding steel, electrically operated radio aerial and push button radio (MW/LW)/stereo cassette RST 21P	L & GL Saloons	£290.39

A steel sliding roof allows direct sunlight and/or increased ventilation into the car and what's more a neat integral air deflector re-directs airflow away from the car for quieter motoring.

Cortina's easy to operate sliding roof option has always been a popular choice amongst customers and gives the car an extra special touch of luxury. A mono radio/stereo cassette option, when specified, makes for more pleasant and enjoyable motoring. Either select a radio station of your choice or decide that you call the tune by playing one of your own cassettes on the stereophonic tape player. The electrically operated aerial is activated whenever the radio cassette unit is switched off, allowing the aerial to be fully retracted and therefore avoid vandal damage.

CAPRI OPTION PACK

	Model Availability	Total Price*
Executive Pack – includes sunroof – tilting/sliding steel, push button radio (MW/LW)/stereo cassette RST 21P and electrically operated radio aerial	L & LS	£339.96
	GL & S	£314.76

The sunroof option available with Capri can, by an easily operated system, be fully retracted giving the advantages of opentop motoring without the preamble of dismantling an awkward soft top. However, if the weather isn't that good, then at the flick of a switch, the roof can be converted to a tilt position, allowing increased air circulation without causing a draught.

A mono radio/stereo cassette option, when specified, makes for more pleasant and enjoyable motoring. Either select a radio station of your choice or decide that you call the tune by playing one of your own cassettes on the stereophonic tape player. The electric operated aerial is activated whenever the unit is switched off, allowing the aerial to be fully retracted and therefore avoid damage.

GRANADA OPTION PACK

	Model Availability	Total Price*
Handling Pack – consists of light alloy road wheels with 150 TR 390 FH rims with Michelin 190/65 HR 390 TRX radial ply tyres with front stabiliser bar increased to 26mm diameter and 12mm rear stabiliser bar. The front and rear shock absorbers are revised as are the rear spring rates. The result is a large car with handling characteristics which are competitive with the best in Europe. (This handling and suspension system is standard on the 2.8 Injection model and on the Ghia 'X' with the 2.8i engine. Power assisted steering at extra cost is mandatory on the 2.0 GL. Special bright finish alloy wheels are fitted to the 2.8 Injection model only.)	GL	£363.23
	Ghia	£155.77

*Maximum Retail Price, including Car Tax and VAT.

EXTRA COVER

Extra Cover takes care of the future.

Extra Cover is an optional extended warranty plan that takes over when your first 12 months Assurance expires, and increases the benefits of that Assurance, in respect of certain mechanical items.

Extra Cover protects you against unexpected repair bills for up to 3 years, or 60,000 total miles, whichever occurs first.

Just look at the advantages that Extra Cover can bring:

for the private motorist

- ✓ Wide range of covered components
- ✓ No limit on repair claims and fully transferable
- ✓ Emergency car hire, emergency hotel and tow-in charges all covered. Cover valid on foreign holidays up to 4 weeks, otherwise not valid outside U.K.
- ✓ Simple authorisation procedures, with no excess payments
- ✓ Value-for-money pricing
- ✓ Fully backed by Ford

for the business user and fleet operators

- ✓ All the above benefits
- ✓ Gives you effective cost control
- ✓ Enhances re-sale value of your vehicles

Extra Cover is available on all cars, light vans and Transits and comes in a choice of options:

1 **24 months from the date of registration** (12 months after the normal Assurance has expired) without any mileage limitation, or

2 **36 months from the date of registration** (24 months after normal Assurance has expired) or 60,000 total miles, whichever occurs first.

The Optional Warranty Plan from Ford

Fully transferable
Your investment in Extra Cover is protected for it is part of the vehicle, and the new owner will have the benefit of the unexpired portion.

In the event of a failure of a covered component:

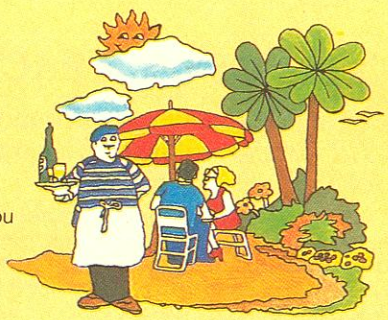
We'll keep you on the road
If an Extra Cover repair takes more than 24 hours, we will refund you the cost of a hire car, up to £12† (inc. VAT) per day for 3 days.

We'll put you up for the night
If necessary, we'll reimburse you for the cost of a night in a hotel. Up to £33† (inc. VAT).

We'll tow you in
We'll refund your towing charges to the nearest Ford dealer. Then we'll pay in full all labour and material charges.

We'll cover your holiday abroad
When you're abroad on holiday you're covered for a continuous period of up to 4 weeks at any one time.

No ceiling on claims
There's no limit to the amount you can claim for repairs, nor to the number of claims you can make.



† Or such increased sums as the company may subsequently publish.

EXTRA COVER COSTS SUPRISINGLY LITTLE, SO SEE YOUR FORD DEALER FOR FULL DETAILS.

PRICE LIST	24 months unlimited*	36 months 60,000 miles*

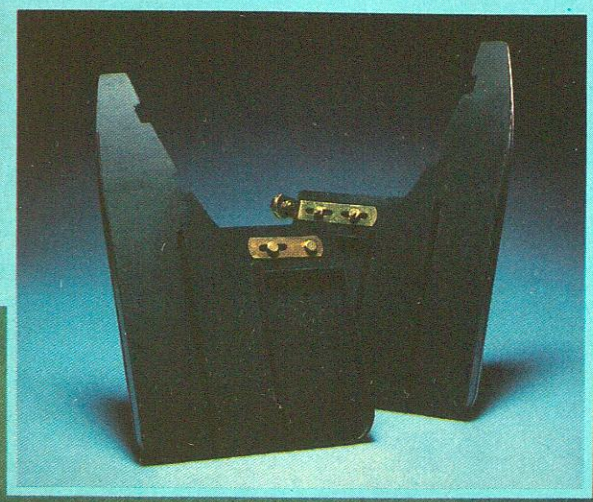
ACCESSORIES & MOTORCRAFT PRODUCTS

Motoring is more fun with Ford Accessories and Motorcraft products

Now is the time to put your personal stamp on your car with exciting accessories specially designed for the Ford range. The next few pages are full of bright ideas and products which enable you to add those important finishing touches. After all, we believe it is important for you to have the car *you* want – tailor-made to *your* requirements. Whether it's extra comfort, elegance or a sporty appearance to match your new car's performance, we feel that you should be given the choice of selecting those personal items that make your driving pleasure complete.

ACCESSORY OF THE MONTH

Mud Flaps



Thoughtful motorists will appreciate the advantages of fitting Ford Mud Flaps, which are ideal for guarding against damage to paintwork and underbody caused by road spray and stone chips. In addition they help to reduce the spray thrown up on wet roads which is so annoying for other road users.
Available for most Ford models, in versions for both front and rear wheels. Made from tough, durable rubber they are easily and securely fitted with clips and bolts supplied with each kit.

FORD SURE, MOTORCRAFT, A1 USED CAR PLAN & FORD PERSONAL EXPORT

FORD SURE

Ford Sure is a **before and after** sales service plan. It has three main objects. First is to make sure your car gets a thorough quality controlled pre-delivery inspection.
Second is to provide servicing and repairs for your car to the same exacting standards.
To do this Ford Sure dealers have specially trained technicians, using purpose designed Ford Sure checklists and the latest sophisiticated servicing equipment. You get a free service after 1500 miles and provided you have the recommended routine servicing carried out by Ford dealers, you are also entitled to two free diagnostic checks at intervals which depend on the specified servicing pattern of your vehicle.
The third object of Ford Sure is to keep you sweet. So with every service or repair bill you'll receive a plainly worded certificate expressing the dealer's confidence in the job he's done.
If he changes any parts he'll keep them for you to see, and if he finds you car needs other work he'll fix it – but only with your permission. And very important, if you find later there's a fault due to bad workmanship he'll correct it without argument or charge.
Also when you arrive at your Ford Sure dealer you should find pleasant reception facilities with staff who care about your needs. You will find a special pre-booking system so you're not kept hanging about and most dealers are happy to accept one of the major credit cards to make paying more convenient.
When you buy a Ford you don't get a restrictive warranty. We give you an Assurance in plain English. And we don't try to take away any of your legal rights.
No matter where you live one of our 400 main dealers and 900 retail dealers isn't far away and they all hav the know-how to keep your car in perfect condition.
And, of course, Ford supports 'The Code of Practice for the Motor Industry' approved by the Office of Fair Trading.

Ford

Ford Accessories
Ford Service Parts

Ford Accessories
Ford believe that all motorists should have almost unlimited freedom of choice on how their cars are finally appointed . . . and that these cars should be a true reflection of their personalities. That's why Ford make available a wide range of accessories – accessories for you to add the personal touch to your Ford. To make your driving pleasure complete. (See pages 89–91.)

Ford Service Parts
Stringent specifications and high standards set by our engineers ensure Ford Service Parts are of high quality. From body shells to gear lever knobs and from engines to the smallest washer – that's the Ford Parts range. The extensive Ford Dealer network makes these parts readily available – and they're backed by Ford Assurance.

Motorcraft

Motorcraft Parts & Car Care Products

Motorcraft Products – Original Equipment on all Ford Models
Top quality replacement parts – for performance and reliability on Ford and most other makes of vehicles. Stringent performance tests and rigorous quality control at all stages of manufacture ensure that the highest standards are consistently maintained. To get the best from your Ford you should insist on Motorcraft . . . the parts that are 'matched' to work together.

SPECIAL A-1

Many Ford Main Dealers operate the Special A1 Used Car Warranty Plan which is sponsored by Ford Motor Company Limited. It covers all makes of popular cars for a period of 12 months (providing they are less than 4 years old) for items as described in literature available from any Ford Dealers showing the Special A1 Warranty sign .

Takes the gamble out of buying a used car – the Special A1 Used Car.

Notes:

Seat Belts
Inertia reel front seat belts are fitted to all models **at no extra cost**.

All petrol engined Ford cars in this catalogue use 4-star fuel except Fiesta with 950 (40 DIN BHP) engine which uses 2 star.

The vehicles illustrated in this catalogue are, in some cases, fitted with options and accessories available at extra cost.

Towing limits and kerb weights
Towing limits quoted in this catalogue represent the recommended maximum towing ability of the vehicle with 2 occupants (150 lb each) to restart on a 12% gradient (1 in 8.3 approx.) at sea level. This means that where additional payload is carried (additional occupants, luggage, etc.), then this additional weight should be deducted from the recommended towing limit. The performance and economy of all models will be reduced when used for towing.

Ford Personal Export
Most cars in the Ford range are available also for tax free Personal Export.
Moreover, a specialist Ford subsidiary, Ford Personal Import Export Limited, is at the service of your Ford Dealer and will give expert advice on the model and specifications best suited to the operating conditions in your overseas destination.
And Ford, being international, has servicing facilities in almost every country.

Please note this catalogue applies to cars for the U.K. domestic market only.
For export models, differences exist in relation to prices, specifications, servicing and warranty.

EXPORT WITH THE EXPERTS

Details are available from your local Dealer or Ford Personal Import Export Limited, 8 Balderton Street, London W1Y 2BN, telephone 01–493 4070, telex 22180.

Illustrations, Descriptions and Specifications
Ford policy is one of continuous improvement. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. Where possible, any such changes which may be introduced after publication of this booklet but before it is supplied will be incorporated herein or announced by means of a notice prominently displayed in Ford Dealerships at the point of a supply. For the latest details always consult your Ford Dealer.
